

# Continuation Awards Only Application for FY 2011 School Improvement Grants (SIG) Program

- New Jersey assures that it will use FY 2011 SIG funds solely to make continuation awards and will not make any new awards<sup>1</sup> to its LEAs.
- New Jersey assures that it will use the renewal process identified in New Jersey's approved FY 2010 application to determine whether to renew an LEA's School Improvement Grant.

In the table below, list any LEAs with one or more schools for which funding under previously awarded SIG grants will not be renewed. For each such school, note the amount of unused remaining funds and explain how the SEA or LEA plans to use those funds (e.g., reallocate to other schools with SIG grants or retain for a future SIG competition).

LEA NAME	SCHOOL NAME	DESCRIPTION OF HOW REMAINING FUNDS WERE OR WILL BE USED	AMOUNT OF REMAINING FUNDS*
Trenton	Trenton Central High School- The LEA did not sign the contract until December 31, 2010. The LEA and school failed to implement the following components of the transformation model: extended learning for all students, collection of data and use of data to improve instruction, reward and incentives, family and community involvement, teacher and principal evaluation. The only component that was implemented within the timeline was the job embedded professional development.	<p>New Jersey proposes the following uses for the remaining funds:</p> <ul style="list-style-type: none"> <li>• To increase the award for those SIG schools that will not have \$2,000,000 for the final year--Essex Tech, Cramer, Wiggings, Snyder, #41 Martin, and Abraham Clark.</li> <li>• Payment of Network Turnaround Officers</li> <li>• Continuation of Effective Instruction workshops with Mike Miles</li> </ul>	<b>\$3,301,151</b>

<sup>1</sup> A "new award" is defined as an award of SIG funds to an LEA for a school that the LEA was not previously approved to serve with SIG funds in the school year for which funds are being awarded—in this case, the 2012--2013 school year. New awards may be made with the FY 2011 funds or any remaining FY 2009 or FY 2010 funds not already committed to grants made in earlier competitions.

Newark	Newark Renaissance Academy- LEA withdrew the application to determine how to serve alternative education students and because they could not hire an EMO.		3,904,684
<b>TOTAL AMOUNT OF REMAINING FUNDS:</b>			<b>\$7,205,835</b>

By submitting the assurances and information above, New Jersey agrees to carry out its FY 2010 SIG application and does not need to submit a new FY 2011 SIG application.
