United States Department of Education
OFFICE OF ELEMENTARY AND SECONDARY EDUCATION
OFFICE OF MIGRANT EDUCATION

Dear Colleague:

Thank you for your interest in the High School Equivalency Program (HEP), administered by the Office of Elementary and Secondary Education of the U.S. Department of Education (Department). This program is authorized under Title IV, Section 418A of the Higher Education Act of 1965 as amended by section 408 of the Higher Education Opportunity Act P.L. 110-315 (H.R. 4137) (HEA).

The purpose of HEP is to help migrant and seasonal farmworkers and members of their immediate family: (1) obtain a high school equivalency diploma (HSED) that meets the guidelines for high school equivalency (HSE) established by the State in which the HEP project is conducted, and (2) to gain employment, enter into military service, or be placed in an institution of higher education (IHE) or other postsecondary education or training.

Please take the time to review the applicable priorities, selection criteria, and all of the application instructions thoroughly. An application will not be evaluated for funding if the applicant does not comply with all of the procedural rules that govern the submission of the application or the application does not contain the information required under the program (34 CFR §75.216 (b) and (c)). And, as part of a broader effort to reduce barriers for applicants seeking funds under a Department discretionary grant competition, the Department has issued a set of Common Instructions for Applicants available at <https://www.govinfo.gov/content/pkg/FR-2019-02-13/pdf/2019-02206.pdf> and also in this application package.

All applicants are eligible to receive up to 100 points based on the published selection criteria. In addition, there are two competitive preference priorities in this competition. The first competitive preference priority is for projects that foster flexible and affordable paths to obtaining knowledge and skills. Applicants that address this priority are eligible to receive up to five (5) additional points. The second competitive preference priority is consideration of a project's prior experience. Applicants that administer an expiring HEP project are eligible to receive up to fifteen (15) additional points for prior experience of service delivery. Additionally, there is an invitational priority for novice applicants.

For this competition it is **mandatory** for applicants to use the government-wide website, Grants.gov (<http://www.grants.gov>), to apply. Please note that the Grants.gov site works differently than the U.S. Department of Education's e-Application System. We strongly encourage you to familiarize yourself with Grants.gov and strongly recommend that you register and submit early.

Applications submitted to Grants.gov for the Department of Education will be posted using

Adobe forms. Please review the **Submitting Applications with Adobe Reader Software** and **Education Submission Procedures and Tips for Applicants** forms found within this package for further information and guidance related to this requirement.

Using fiscal year (FY) 2020 funds, the Department expects to award approximately \$5,700,000 for new grants under this competition. We will award discretionary grants on a competitive basis for a project period of up to 60 months. Grants are expected to be awarded in June 2020.

Please visit our program website at www.ed.gov/programs/hep for further information. If you have any questions about the program after reviewing the application package, please contact Steven Carr by telephone at (202) 260-2067 or via e-mail at steven.carr@ed.gov.

Sincerely,

Lisa C. Gillette
Director
Office of Migrant Education

Program Background Information

Program Overview

The purpose of the High School Equivalency Program (HEP) is to help migrant and seasonal farmworkers and members of their immediate family: (1) obtain the equivalent of a secondary school diploma, and (2) subsequently to gain employment, enter into military service, or be placed in an institution of higher education (IHE) or other postsecondary education or training.

Official Documents Notice

The official document governing this competition is the Notice Inviting Applications (NIA) published in the Federal Register on November 29, 2019. (See Legal and Regulatory Documents of this application package). The NIA is also available electronically at the following Web sites: www.FederalRegister.gov and www.gpo.gov.

Eligible Applicants

Eligible applicants include:

- Institutions of higher education
- Private nonprofit organizations

Priorities

Competitive Preference Priorities: For FY 2020 and any subsequent year in which we make awards from the list of unfunded applications from this competition, these priorities are competitive preference priorities. Under 34 CFR 75.105(c)(2)(i) we award up to an additional five (5) points to an application for Competitive Preference Priority 1 depending on how well the application meets this priority, and up to an additional 15 points to an application for Competitive Preference Priority 2.

These priorities are:

Competitive Preference Priority 1--Fostering Flexible and Affordable Paths to Obtaining Knowledge and Skills. (Up to 5 points)

Projects that are designed to address improving collaboration between education providers and employers to ensure student learning objectives are aligned with the skills or knowledge required for employment in in-demand industry sectors or occupations (as defined in section 3(23) of the Workforce Innovation and Opportunity Act of 2014).

Competitive Preference Priority 2--Consideration of Prior Experience. (Up to 15 points)

Projects that are expiring (current HEP grantees in their final budget period) will be considered for additional points under Competitive Preference Priority 2. In accordance with section 418A(e) of the HEA, the Department will award up to 15 points for this priority. The Secretary will consider the applicant's prior experience in implementing its expiring HEP project, based on performance information to include, but not limited to,

the percentage of HEP participants exiting the program having received a High School Equivalency (HSE) diploma and the percentage of HSE diploma recipients who enter postsecondary education or training programs, upgraded employment, or the military.

Note: Competitive Preference Priority 1 must be addressed under selection criterion (b) “Quality of the project design.”

Note: Competitive Preference Priority 2 applies to expiring projects (current HEP grantees in their final budget period) that received their current HEP award in FY 2015.

Invitational Priority: This priority is for “novice applicants.” For the purposes of this priority, a novice applicant is any applicant that has never received a grant or subgrant under HEP. For FY 2020 and any subsequent year in which we make awards from the list of unfunded applications from this competition, this priority is an invitational priority. Under 34 CFR 75.105(c)(1) we do not give an application that meets this invitational priority a competitive or absolute preference over other applications.

Program Contact

If you have any questions about the program after reviewing the application package, please contact Steven Carr by telephone at (202) 260-2067 or via e-mail at steven.carr@ed.gov.

Note: The MEP definitions and NFJP definitions and eligibility regulations apply to individuals seeking to qualify for CAMP based on past participation in the Migrant Education Program or NFJP.

Frequently Asked Questions

Q1: What are the performance reporting requirements for the grant?

A1: Grantees are required to submit the OMB-approved HEP Annual Performance Report (APR) Form. This form is generally due in November following the most recently ending budget period. A copy of the performance report instructions for the 2018-19 performance period is available at: <https://oese.ed.gov/offices/office-of-migrant-education/high-school-equivalency-program/performance-report-and-evaluation-high-school-equivalency-program/>.

Q2: What information specific to project objectives must applicants address in their application?

A2: According to 34 CFR 75.112, applicants must include in their application a narrative that describes how and when the applicant plans to meet each objective of the project, in each budget period of the project. The objectives of the project include the performance measures that the Department has established under the Government Performance and Results Act (GPRA) as well as any other objectives grantees have established that are specific to the project. Hence, in the course of implementing their projects, grantees will need to examine the goals and objectives of the particular project, as well as GPRA measures for the program (See GPRA objectives on page 64 of this application package).

Q3: What are the projected national targets for the HEP GPRA 1 and GPRA 2 measures for the first year of this grant?

A3: The national target for measure 1 for FY 2020 (July 1, 2020 to June 30, 2021 budget period) is that 69 percent of HEP program participants will receive a HSED, and for measure 2 the target for FY 2020 (July 1, 2020 to June 30, 2021 budget period) is that 80 percent of HEP HSED recipients will enter postsecondary education or training programs, upgraded employment, or the military. Targets for subsequent years will be determined after additional baseline data is collected on the APR.

Grantees will be held accountable for serving the number of students they propose to serve in their application. At minimum, applicants must include in their applications:

- the number of HEP participants the applicant expects to serve each year of the grant;
- the number of HEP participants the applicant expects will complete the HSE for each year of the grant (GPRA measure 1); and,
- the number of HSED recipients the applicant expects will enter postsecondary education or training programs, upgraded employment or the military each year of the grant (GPRA measure 2).

Applicants must report annually in their APRs their success in meeting these GPRA measures as well as the individual measures they have established for their projects.

Q4: Are the GPRA targets considered to be the objectives for the program?

A4: GPRA targets are the core objectives that apply to all HEP grantees, but projects may also establish their own goals and objectives, within the scope of the program's authorizing legislation and regulations.

Q5: If the GPRA targets are the core objectives of the project, what are the merits of going beyond these requirements to write other project goals/objectives?

A5: The GPRA targets may not address all the needs you have identified for your project.

Q6: In addition to the GPRA targets, how many objectives are recommended?

A6: There is no minimum or maximum number of proposed project objectives. However, applicants should be mindful that they will compete with others, and will be held to all proposed objectives, and if selected for an award, will also have to report on each project objective in the APR.

Q7: Should the page count of each section of the application be based on how many points are allotted to each selection criteria section?

A7: The Department recommends a 25-page limit; how the applicant chooses to distribute the narrative among the sections is its decision.

Q8: Can the applicant reference in one section a chart that is in another section, if the chart supports the section where the reference is made?

A8: Yes.

Q9: What fonts must be used in the application?

A9: Times New Roman, Courier, Courier New, and Arial are suggested fonts, and all are recommended to be either 12 point or larger, or no smaller than 10 pitch (characters per inch).

Q10: Can sections that will take a considerable amount of space in the narrative be addressed in tables?

A10: Tables are appropriate to display quantitative data or a combination of quantitative and qualitative data (e.g., a table of project specific objectives with numerical targets); however, tables are not appropriate for a narrative. Moreover, narratives displayed in tables may be confusing to readers and result in a low score.

Q11: Do charts, tables, etc. need to be in 12 pt. font Times New Roman, Courier, Courier New or Arial font also?

A11: Charts, tables, etc. are recommended to be in 12 pt. font Times New Roman, Courier, Courier New or Arial font.

Q12: Does the Table of Contents count towards the recommended 25-page limit for the project narrative?

A12: No.

Q13: How long can the abstract be?

A13: The Department recommends one double-spaced page for the abstract.

Q14: What information should be included in the abstract?

A14: The project abstract should include a concise description of the following information, preferably in the following order:

- Name of Applicant
- City and State of Applicant
- Project objectives and activities
- Applicable priorities
- Proposed project outcomes
- Number of participants to be served annually, distinguished by commuter or residential
- Number and location of proposed sites
- Project targets for meeting each of the GPRA measures each year

Q15: May footnotes be in a bibliography format in the appendices, since they take up space (especially double-spaced) in the actual narrative?

A15: The applicant may include a bibliography in the appendices.

Q16: May applicants include "cover pages" for the appendices (that would not count toward the recommended page limit)?

A16: Applicants may organize appendices as they choose. The recommended page limit for the appendices is 20 pages.

Q17: What parts of the budget narrative should be double spaced?

A17: It is recommended that applicants double space all text in the application narrative, including titles, headings, footnotes, quotations, references, and captions, as well as all text in

charts, tables, figures, and graphs.

Q18: Are there guidelines to determine if costs are allowable, allocable and reasonable?

A18: See "Important Notes" under Part 5, Budget Narrative on page 51 of this application package.

Q19: Does the annual requested amount include indirect costs?

A19: Yes.

Q20: What is meant by a maximum award limit that an applicant may request?

A20: The Department has established a maximum HEP award of \$475,000 for any of the five single budget periods of 12 months. This limit applies only to the amount of Federal funds requested in Section A of ED Form 524 and does not apply to other funds a grantee or its partners may contribute to the project.

Q21: May a project budget exceed the maximum award amount if it includes funding from non-Federal sources?

A21: Yes. The project budget may exceed this amount of \$475,000 for any of the five single 12-month budget periods if volunteered non-Federal funds are combined in the project budget. If other non-Federal funds are contributed to the project, applicants must enter those amounts in Section B of ED Form 524 and provide a Section C budget detail that identifies and describes these non-Federal funds.

Applicants should be aware that amounts representing the difference between the 8 percent restricted indirect cost rate and a greater indirect cost rate negotiated with an agency may not be charged to direct cost categories, used to satisfy matching or cost-sharing requirements, or charged to another Federal award. [34 CFR §75.562(c)(5)]

Q22: Can the project director be the authorized representative or principal investigator (PI) as well?

A22: In cases where a nonprofit organization is very small or operating solely on the Federal HEP grant, the organization's CEO could technically be both the authorized representative (person who signed and represents the application) as well as the project director. It would not be reasonable, however, to have one person be both the PI (i.e., supervisor over the project staff) and the director.

Q23: Are external evaluators preferred, particularly those that may be directors or PIs of other projects?

A23: An applicant should conduct its evaluation in the manner that it determines to be most

effective for the project. OME cannot say that one manner of evaluation is "preferred" over another, though many grantees find an outside evaluator to be an effective practice.

Q24: Should we list all project personnel as key personnel?

A24: While it is up to the applicant to decide which personnel are “key personnel,” the applicant should be aware that, according to 2 CFR 200.308(c)(2) of the OMB Uniform Administrative requirements Guidance, Cost Principles, and Audit Requirements for Federal Awards (OMB Uniform Requirements), grantees must request prior approval from ED program officials for any change in key personnel.

Q25: Are the costs of instructional items, such as textbooks, to be included on the Training Stipend line of the budget form?

A25: Depending on how instructional items are used, they may be included on the Other or Supply lines or the Training Stipends. For example, if a project purchases a “lending library” of textbooks, to be collected at the end of each term and used again for new participants, the costs could be included on the Other or Supply line items; if the textbooks are given to participants with the expectation that participants keep the textbooks after completing the program, it would be appropriate to include the costs in the Training Stipends line.

Q26: In regard to participant eligibility, what is the definition of "immediate family?"

A26: The program’s definition of "immediate family" can be found in the Department’s regulations, 34 CFR section 206.5(c)(5), and is defined as:

- (i) A spouse.
- (ii) A parent, step-parent, adoptive parent, foster parent, or anyone with guardianship.
- (iii) Any person who—
 - (A) Claims the individual as a dependent on a Federal income tax return for either of the previous two years, or
 - (B) Resides in the same household as the individual, supports that individual financially, and is a relative of that individual.

Q27: Although the grant is focused on the attainment of a HSED, can proposed activities focus on other attainments, such as learning English?

A27: Applicants can propose other objectives for the project, provided that those objectives fit within the scope of the allowable services as stated in the regulations. Allowable HEP services can be found in the program regulations at 34 CFR Section 206.10(b).

Q28: Can program directors write the actual grant?

A28: Program staff that are directly funded by the Federal grant and write a grant proposal for future funding have to do so outside of their time serving in their capacity with the project.

Program staff may not write a grant application for future Federal funding while being paid directly by a Federal grant.

Q29: Does the Department have the authority to adjust an award amount in a successful proposal?

A29: Yes. If there are not enough funds, or if an applicant proposes budget items and activities which the program staff determines to be unallowable or unreasonable during the budget analysis, the Department has the authority to adjust an award amount.

Q30: How many applications is the Department expecting and how many applications does the Department plan to fund?

A30: We expect to receive approximately 37 HEP applications, and we plan to fund 12 new HEP programs.

Q31: To what extent does prior project performance affect eligibility for a new grant?

A31: The Secretary awards up to 15 additional points to applicants whose projects expire this year (grantees in their final year). These points are largely awarded based on the grantee's prior performance as determined by related data already collected by the Department.

Moreover, under 34 CFR 75.217(d)(3)(ii), the Secretary determines the order in which applications will be selected for funding, considering an applicant's performance under a previous award from any Department program, among other information. Even if an application is evaluated by a panel of readers and assigned a score within the funding range, the Secretary may exclude an application from funding following our review of past performance results.

Q32: On the cover sheet, Application for Federal Assistance SF 424, what amounts should an applicant enter in the section "Estimated Funding?"

A32: Enter only the Year One amounts from each applicable source and the total Year One budget.

Q33: What will happen if an applicant requests more than the maximum award limit for Federal HEP funds?

A33: The Department may reject any application that proposes a budget exceeding the maximum award limit of \$475,000 in Federal funds for any of the five single 12-month budget periods.

Q34: What will happen if an applicant requests less than the minimum award limit for Federal HEP funds?

A34: The Department will reject any application that proposes a HEP award that is less than \$180,000 for any of the five single 12-month budget periods, as reflected in the applicant's ED 524 Budget Form, Section A, submitted as a part of the project application.

Q35: Must an applicant propose a project budget covering 60 months in duration?

A35: Yes, applicants must propose a project of 60 months (five 12-month budget periods) in duration. However, if an applicant receives a grant award, annual continuation funding is contingent upon availability of funds and grantees meeting minimum performance standards.

Applicants under this competition are required to provide detailed budget information for each year of the proposed project and for the total grant, and we may reject any application that does not do so as reflected on the applicant's ED 524 form, Section A, submitted as a part of the application.

Q36: When completing ED 524 Form, should the applicant enter whole dollar amounts for budget costs?

A36: Yes, round budgeted amounts to the nearest dollar.

Q37: As the Department makes continuation awards, will it hold grantees accountable for meeting national GPRA targets?

A37: Yes. 34 CFR 75.253(a)(2)(i) states that the Secretary may make a continuation award for a budget period after the first budget period of an approved multi-year project if the recipient has made substantial progress toward meeting the objectives in its approved application. In determining substantial progress for making continuation awards, the Department will use project performance data reported in the APR. While grantee GPRA performance data will not be the only factor the Department will use in determining whether a project has made substantial progress in meeting its goals and objectives, these data will be a significant factor.

Q38: Is the geographic distribution of existing projects and new applicants taken into account when awarding new projects?

A38: Yes, the Secretary will consider the need to provide an equitable geographic distribution of grants in selecting applications for awards, in accordance with section 418A of the HEA (20 U.S.C. 1070d-2(g)).

Q39: If an applicant encounters a problem while uploading an application, does obtaining a Support Desk Case Number from Grants.gov mean that the application will be accepted even though it may be submitted after the deadline?

A39: Obtaining a Support Desk Case Number from Grants.gov does not guarantee that an application will be accepted when submitted late. The program office must confirm that a

technical problem with the Grants.gov system caused the application to be submitted late before the program office can determine if accepting the late application is appropriate.

Q40: How early should applicants submit applications?

A40: Start the application as soon as possible. An applicant is required to obtain several credentials before uploading an application to Grants.gov. Obtaining these credentials (Data Universal Numbering System (DUNS) Number, Tax Identification Number (TIN), System for Award Management (SAM) certification, etc.) can take several weeks.

Q41: Will an application that fails to adhere to the formatting standards outlined in this application be rejected?

A41: No. However, the Department recommends any project narrative [Part 4] not exceed 25 pages and meet the following standards:

- A “page” is 8.5” x 11”, on one side only, with 1” margins at the top, bottom, and both sides.
- Double space (no more than three lines per vertical inch) all text in the application narrative, including titles, headings, footnotes, quotations, references, and captions. Applicants may single space all text in charts, tables, figures, and graphs. Charts, tables, figures, and graphs presented in the application narrative count toward the page limit.
- Use a font that is either 12 point or larger or no smaller than 10 pitch (characters per inch) throughout the entire application package.
- Use one of the following fonts: Times New Roman, Courier, Courier New, or Arial. An application submitted in any other font (including Times Roman or Arial Narrow) will not be accepted.
- The 25-page limit is suggested for the project narrative section. The suggestion does not apply to the cover sheet; the budget section, including the narrative budget justification; the assurances and certifications; or the one-page abstract.

Q42: In regard to the competitive preference priority Fostering Flexible and Affordable Paths to Obtaining Knowledge and Skills, how is “in-demand Industry Sector or Occupation” defined in the Workforce Innovation and Opportunity Act of 2014?

A42: Section 3(23) of the Workforce Innovation and Opportunity Act of 2014 (WIOA) defines the term “in-demand industry sector or occupation” as:

- (i) an industry sector that has a substantial current or potential impact (including through jobs that lead to economic self-sufficiency and opportunities for advancement) on the State, regional, or local economy, as appropriate, and that contributes to the growth or stability of other supporting businesses, or the growth of other industry sectors; or
- (ii) an occupation that currently has or is projected to have a number of positions (including positions that lead to economic self-sufficiency and opportunities for advancement) in an industry sector so as to have a significant impact on the State, regional, or local economy, as appropriate.

Under section 3(23) of WIOA, the State board, or local board, as appropriate, determine whether an industry sector or occupation is in-demand using State and regional business and labor market projects, including the use of labor market information.

Q43: Will application reviewers be provided with a scoring guide?

A43: Yes. Application reviewers will be provided with the following scoring rubric. Reviewers are strongly encouraged, but not required, to adhere to the scoring rubric.

0	Factor is not addressed.

Tips for Preparing and Submitting an Application

Beginning the Application Process

- Read this application package in its entirety, including the NIA, and make sure you follow all of the instructions.
- Read the Common Instructions for Applicants to Department of Education Discretionary Grant Programs at <https://www.govinfo.gov/content/pkg/FR-2019-02-13/pdf/2019-02206.pdf> and included in this application package for your quick reference.
- Read the Frequently Asked Questions section in this application package.
- If you do not understand an instruction or requirement, contact Steven Carr, U.S. Department of Education, Office of Migrant Education, Room 3E321, Washington, D.C. 20202. Telephone: (202) 260-2067 or by email: Steven.Carr@ed.gov for information about this grant competition.

Preparing Your Application

- Organize your narrative according to the selection criteria headings and respond comprehensively.
- Be thorough in your responses. Write so that someone who knows nothing about your community and the proposed activities, curricula, programs, and services can understand what you are proposing and why.
- Make sure your budget provides sufficient itemization and detailed descriptions about planned expenditures so Department staff can easily determine how amounts were calculated.
- Link your planned expenditures to the proposed activities, curricula, programs, and services. Do not request funds for miscellaneous purposes. Make sure you demonstrate that your proposed expenditures are necessary to carry out your program.

Submitting Your Application

- Use the checklist provided in this application package to ensure your application is complete before submitting it.
- Make sure all required forms are included and signed by an Authorized Representative of your organization.
- Transmit your application by the deadline date and time. When submitting your application electronically, you must use Grants.gov at: www.grants.gov. Unless you

qualify for an exception in accordance with the instructions found in Common Instructions for Applicants to Department of Education Discretionary Grant Programs available at <https://www.govinfo.gov/content/pkg/FR-2019-02-13/pdf/2019-02206.pdf>, and in this application package, you must submit your application electronically.

What Happens Next?

- Once the Department receives your application from Grants.gov, an agency tracking number (PR Award number) will be assigned to your application and will be available for viewing on Grants.gov's Track My Application at <https://www.grants.gov/web/grants/applicants/track-my-application.html>. Please refer to this PR/Award number if you need to contact us about your application.
- The Department screens each application to ensure that all program eligibility requirements are met and that all forms are included and signed by the Authorized Representative. Ineligible applicants will receive a notification letter, including the reasons for ineligibility.
- If eligible, your application will be assigned to a panel of independent reviewers who will evaluate and score your proposal according to the selection criteria in this package. Your application will receive a score from 0 to 100, not including competitive preference priority (CPP) points. We award up to five (5) additional points for competitive preference priority one, depending on how well the application addresses the priority, and up to an additional 15 points for competitive preference priority two (consideration of prior experience).
- A Grant Award Notification will be sent to applicants whose proposals rank high enough to be awarded a grant. Both successful and unsuccessful applicants will receive peer reviewers' comments after grant awards are announced. Unsuccessful applicants will also receive a notification letter.

Electronic Notification for Grant Awards

- If your application is successful, we notify your U.S. Representative and U.S. Senators and send you a Grant Award Notification (GAN); OR we may send you an e-mail containing a link to access G5, the Department's Grant Management System. The email will be sent to both the project director and certifying representative in order for them to view and print the Adobe Acrobat version of the electronically signed GAN. If neither the project director nor certifying representative is registered in G5, they will immediately be prompted to register once the link is accessed. **The electronic signature and issuance of the GAN makes it crucial that your application include correct email addresses for both the project director and certifying representative.**

Application Deadline

The deadline for submitting an application is January 28, 2020. Review the instructions in this application package for meeting the deadline.

Common Instructions for Applicants to Department of Education Discretionary Grant Programs

The application and submission information that follows comes directly from the Department's Common Instructions, referenced in the NIA and available at <https://www.govinfo.gov/content/pkg/FR-2019-02-13/pdf/2019-02206.pdf>.

Application and Submission Information

Background: This document provides applicants with a centralized and up-to-date set of instructions for applying to the Department's discretionary grant programs. Future NIAs will reference this document in lieu of providing this series of instructions within each NIA. Rarely, exceptions will need to be made to these instructions and will be noted in an individual competition NIA.

Revised Common Instructions: The Department is making several changes to the common instructions for applicants provided in the notice published in the Federal Register on February 12, 2018 ([83 FR 6003](#)). First, in section four, Data Universal Numbering System Number, Taxpayer Identification Number, and System for Award Management, we are adding a sentence above the Note that clarifies that applicants who are unable to submit an application via Grants.gov by the application deadline, because their System for Award Management (SAM) registration is not active, will not be considered for funding.

Second, in section 5(a), under Other Submission Requirements—Electronic Submission of Applicants and—Application Deadline Data Extension in Case of Technical Issues with the Grants.gov System, we are changing, in three places, the time of the application deadline from 4:30:00 p.m., Eastern Time, to 11:59:59 p.m., Eastern Time. We are making these changes so that applicants not located in the Eastern Time will have a full business day to submit their applications before the deadline passes. We are also adding a sentence notifying applicants that assistance from Principal Office staff is available until 5:00 p.m. Eastern Time on the application deadline date.

Lastly, we are revising the instructions for submitting an application electronically, under section 5, Other Submission Requirements, so that applications can be submitted using Microsoft Word. We are making this change to provide greater flexibility for applicants to submit an acceptable application for review; however, we recommend that applicants submit all documents as read-only flattened PDFs.

The revised common instructions are set forth as follows: Common Set of Instructions for Applicants: Application and Submission Information.

1. **Address to Request Application Package:** You can obtain an application package from the Department's website or Grants.gov. To obtain a copy via the Department's website, use the following address: www.ed.gov/fund/grant/apply/grantapps/index.html.

2. Content and Form of Application Submission: Requirements concerning the content and form of an application, together with the forms you must submit, are in the application package for the program.

3. Submission Dates and Times: Submit applications for grants under the program electronically using Grants.gov. For information (including dates and times) about how to submit your application electronically, please refer to Other Submission Requirements in section 5 of these instructions.

We do not consider an application that does not comply with the deadline requirements. Individuals with disabilities who need an accommodation or auxiliary aid in connection with the application process should contact the person listed in the FOR FURTHER INFORMATION CONTACT section in the competition NIA. If the Department provides an accommodation or auxiliary aid to an individual with a disability in connection with the application process, the individual's application remains subject to all other requirements and limitations in the competition NIA.

4. Data Universal Numbering System Number, Taxpayer Identification Number, and System for Award Management: To do business with the Department, and to submit your application electronically using Grants.gov, you must—

- a. Have a Data Universal Numbering System (DUNS) number and a Taxpayer Identification Number (TIN);
- b. Register both your DUNS number and TIN with the System for Award Management (SAM.gov), the Government's primary registrant database;
- c. Provide your DUNS number and TIN on your application; and
- d. Maintain an active SAM registration with current information while your application is under review by the Department and, if you are awarded a grant, during the project period.

You can obtain a DUNS number from Dun and Bradstreet at the following website: <http://fedgov.dnb.com/webform>. A DUNS number can be created within one to two business days.

If you are a corporate entity, agency, institution, or organization, you can obtain a TIN from the Internal Revenue Service (IRS). If you are an individual, you can obtain a TIN from the IRS or the Social Security Administration. If you need a new TIN, please allow two to five weeks for your TIN to become active.

The SAM registration process can take approximately seven business days, but may take upwards of several weeks, depending on the completeness and accuracy of the data you enter into the SAM.gov database. Thus, if you think you might want to apply for Federal financial assistance under a program administered by the Department, please allow sufficient time to obtain and register your DUNS number and TIN. We recommend that you register early. If you are unable to submit an application on Grants.gov by the application deadline because you do not have an active SAM registration, you will not be considered for funding.

Note: Once your SAM.gov registration is active, it may be 24 to 48 hours before you can access the information in, and submit an application through, Grants.gov.

If you are currently registered with SAM.gov, you may not need to make any changes. However, please make certain that the TIN associated with your DUNS number is correct. Note: You must update your SAM registration annually. This may take three or more business days. Information about SAM is available at www.SAM.gov. To further assist you with obtaining and registering your DUNS number and TIN in SAM.gov or updating your existing SAM account, we have prepared a SAM.gov Tip Sheet, which you can find at: <http://www2.ed.gov/fund/grant/apply/sam-faqs.html>.

In addition, in order to submit your application via Grants.gov, you must (1) register as an applicant using your DUNS number and (2) be designated by your organization's E-Biz Point of Contact as an Authorized Organization Representative (AOR). Details on these steps are outlined at the following Grants.gov web page: <https://www.grants.gov/web/grants/register.html>.

5. Other Submission Requirements:

a. Electronic Submission of Applications.

We are participating as a partner in the Government-wide Grants.gov site. Submit applications electronically using Grants.gov and do not email them unless explicitly allowed in a competition NIA.

A Grants.gov applicant must apply online using Workspace, a shared environment where members of a grant team may simultaneously access and edit different web forms within an application. An applicant can create an individual Workspace for each application and establish for that application a collaborative application package that allows more than one person in the applicant's organization to work concurrently on an application. The Grants.gov system also enables the applicant to reuse forms from previous submissions, check them in and out to complete them, and submit the application package. For access to further instructions on how to apply using Grants.gov, refer to: www.grants.gov/web/grants/applicants/apply-for-grants.html. You may access the electronic grant applications at www.Grants.gov. You must search for the downloadable application package for this competition by the CFDA number. Do not include the CFDA number's alpha suffix in your search (e.g., search for 84.184, not 84.184D).

Please note the following:

- Applicants needing assistance with Grants.gov may contact the Grants.gov Support Center either by calling 1-800-518-4726 or by sending an email to support@grants.gov. The Grants.gov Support Center is available 24 hours a day, seven days a week, except for Federal holidays. Applicants needing assistance from Principal Office staff with their applications should contact the person listed in the FOR FURTHER INFORMATION CONTACT section in the competition NIA during normal business hours and no later than 5:00 p.m., Eastern Time, on the application deadline date.

- The amount of time it can take to upload an application will vary depending on a variety of factors, including the size of the application and the speed of your internet connection. Therefore, we recommend that you leave yourself plenty of time to complete your submission.
- Applications received by Grants.gov are date- and time-stamped upon submission. Your application must be fully uploaded and submitted and must be date- and time-stamped by the Grants.gov system no later than 11:59:59 p.m., Eastern Time, on the application deadline date. Except as otherwise noted in this section, we will not accept your application if it is received—that is, date- and time-stamped by the Grants.gov system—after 11:59:59 p.m., Eastern Time, on the application deadline date. We do not consider an application that does not comply with the deadline requirements. When we retrieve your application from Grants.gov, we will notify you if we are rejecting your application because it was late. Receipt of a date- and time-stamp does not mean that your application meets program eligibility requirements described in the application package.
- You should review and follow the Education Submission Procedures for submitting an application through Grants.gov that are included in the application package for the program to ensure that you submit your application on time. You can also find the Education Submission Procedures pertaining to Grants.gov under News and Events on the Department's G5 system home page at www.G5.gov. In addition, for specific guidance and procedures for submitting an application through Grants.gov, please refer to the Grants.gov website at: www.grants.gov/web/grants/applicants/apply-for-grants.html.
- When you submit your application electronically, all documents must be submitted in this manner, including all information you typically provide on the following forms: The Application for Federal Assistance (SF 424), the Department of Education Supplemental Information for SF 424, Budget Information—Non-Construction Programs (ED 524), and all necessary assurances and certifications.
- When you submit your application electronically, you must upload any narrative sections and all other attachments to your application as files in either Portable Document Format (PDF) or Microsoft Word. Although applicants have the option of uploading any narrative sections and all other attachments to their application in either PDF or Microsoft Word, we recommend applicants submit all documents as read-only flattened PDFs, meaning any fillable PDF files must be saved and submitted as non-fillable PDF files and not as interactive or fillable PDF files, to better ensure applications are processed in a more timely, accurate, and efficient manner. If you choose to submit your application in Microsoft Word, you may do so using any version of Microsoft Word (i.e., a document ending in a .doc or .docx extension). If you upload a file type other than PDF or Microsoft Word or if you submit a password-protected file, we will be unable to review that material. Please note that this will likely result in your application not being considered for funding. The Department will not convert material from other formats to PDF or Microsoft Word.
- After you electronically submit your application, you will receive from Grants.gov an automatic notification of receipt that contains a Grants.gov tracking number. Grants.gov also will notify you automatically by email if your application met all of the Grants.gov validation requirements or if there were any errors (such as submission of your application by someone other than a registered AOR, issues with your

DUNS number, or inclusion of an attachment with a file name that contains special characters). You will be given an opportunity to correct any errors and resubmit, but you must still meet the deadline for submission of your application.

Once your application is successfully validated by Grants.gov, the Department will retrieve your application from Grants.gov and send you an email with a unique PR/Award number for your application.

Email confirmations and receipts from Grants.gov do not indicate receipt by the Department, nor do they mean that your application is complete or has met all application requirements. While your application may have been successfully validated by Grants.gov, it also must be reviewed in accordance with the Department's application requirements as specified in the competition NIA and in these application instructions. It is your responsibility to ensure that your submitted application has met all of the Department's requirements. Additionally, we may request that you provide us original signatures on forms at a later date.

Application Deadline Date Extension in Case of Technical Issues with the Grants.gov System: If you experience problems submitting your application through Grants.gov, please contact the Grants.gov Support Desk immediately, toll-free, at 1-800-518-4726. The Grants.gov Support Center will provide you with a Support Desk Case Number documenting your communication. You must retain your Support Desk Case Number for future reference as proof of your communication with the Support Center. Please subsequently contact the person listed in the FOR FURTHER INFORMATION CONTACT section in the competition NIA and provide an explanation of the technical problem you experienced with Grants.gov, along with the Grants.gov Support Desk Case Number.

If you are prevented from electronically submitting your application on the application deadline date because of technical problems within the Grants.gov system, we will grant you an extension until 11:59:59 p.m., Eastern Time, the following business day to enable you to transmit your application electronically, provided we can verify the technical issues affected your ability to submit your application on time via your Grants.gov Support Desk Case Number.

Note: The extensions to which we refer in this section apply only to technical problems with the Grants.gov system. We will not grant you an extension if you failed to fully register in order to submit your application to Grants.gov (including with the required DUNS number and TIN currently registered in SAM) before the application deadline date and time or if the technical problem you experienced is unrelated to the Grants.gov system.

b. Submission of Paper Applications.

We discourage paper applications, but if electronic submission is not possible (e.g., you do not have access to the internet), you must provide a written statement that you intend to submit a paper application. Send this written statement no later than two weeks before the application deadline date (14 calendar days or, if the 14th calendar day before the application deadline date falls on a Federal holiday, the next business day following the Federal holiday).

If you mail your written statement to the Department, it must be postmarked no later than two weeks before the application deadline date. Please send this statement to the person listed in the FOR FURTHER INFORMATION CONTACT section of the competition NIA.

If you submit a paper application, you must mail the original and two copies of your application, on or before the application deadline date, to the Department at the following address: U.S. Department of Education, Application Control Center, Attention: (CFDA Number), LBJ Basement Level 1, 400 Maryland Avenue SW, Washington, DC 20202-4260.

You must show proof of mailing consisting of one of the following:

- (1) A legibly dated U.S. Postal Service postmark.
- (2) A legible mail receipt with the date of mailing stamped by the U.S. Postal Service.
- (3) A dated shipping label, invoice, or receipt from a commercial carrier.
- (4) Any other proof of mailing acceptable to the Secretary of the U.S. Department of Education.

If you mail your application through the U.S. Postal Service, we do not accept either of the following as proof of mailing:

- (1) A private metered postmark.
- (2) A mail receipt that is not dated by the U.S. Postal Service.

Note: The U.S. Postal Service does not uniformly provide a dated postmark. Before relying on this method, you should check with your local post office.

We will not consider applications postmarked after the application deadline date.

Note for Mail Delivery of Paper Applications: If you mail your application to the Department—

- (1) You must indicate on the envelope and in Item 11 of the SF 424 the CFDA number, including suffix letter, if any, of the competition under which you are submitting your application; and
- (2) The Application Control Center will notify you of the Department's receipt of your grant application. If you do not receive this notification within 15 business days from the application deadline date, you should call the Application Control Center at (202) 245-6288.

Accessible Format: Individuals with disabilities can obtain this document and a copy of the application package in an accessible format (e.g., braille, large print, audiotape, or compact disc) on request to the program contact person listed under FOR FURTHER INFORMATION CONTACT.

Electronic Access to This Document: The official version of this document is the document published in the Federal Register. You may access the official edition of the Federal Register and the Code of Federal Regulations at: www.govinfo.gov. At this site you can view this document, as well as all other documents of this Department published in the Federal Register, in text or PDF. To use PDF you must have Adobe Acrobat Reader, which is available free at the site. You may also access documents of the Department published in the Federal Register by using the article search feature at: www.federalregister.gov. Specifically, through the advanced search feature at this site, you can limit your search to documents published by the Department.

Grants.gov Submission Procedures and Tips for Applicants

To facilitate your use of Grants.gov, this document includes important submission procedures you need to be aware of to ensure your application is received in a timely manner and accepted by the Department of Education.

Browser Support

The latest versions of Microsoft Internet Explorer (IE), Mozilla Firefox, Google Chrome, and Apple Safari are supported for use with Grants.gov. However, these web browsers undergo frequent changes and updates, so we recommend you have the latest version when using Grants.gov. Legacy versions of these web browsers may be functional, but you may experience issues.

For additional information or updates, please see the Grants.gov Browser information in the Applicant FAQs: <http://www.grants.gov/web/grants/applicants/applicant-faqs.html#browser>

ATTENTION – Workspace, Adobe Forms and PDF Files Required

Grants.gov applicants can apply online using Workspace. Workspace is a shared, online environment where members of a grant team may simultaneously access and edit different web forms within an application. For each funding opportunity announcement (FOA), you can create individual instances of a workspace.

Below is an overview of applying on Grants.gov. For access to complete instructions on how to apply for opportunities, refer to: <https://www.grants.gov/web/grants/applicants/workspace-overview.html>

- 1) Create a Workspace: Creating a workspace allows you to complete it online and route it through your organization for review before submitting.
- 2) Complete a Workspace: Add participants to the workspace to work on the application together, complete all the required forms online or by downloading PDF versions, and check for errors before submission. The Workspace progress bar will display the state of your application process as you apply. As you apply using Workspace, you may click the blue question mark icon near the upper-right corner of each page to access context-sensitive help.
 - a. Adobe Reader: If you decide not to apply by filling out web forms you can download individual PDF forms in Workspace. The individual PDF forms can be downloaded and saved to your local device storage, network drive(s), or external drives, then accessed through Adobe Reader. NOTE: Visit the Adobe Software Compatibility page on Grants.gov to download the appropriate version of the software at: <https://www.grants.gov/web/grants/applicants/adobe-software-compatibility.html>
 - b. Mandatory Fields in Forms: In the forms, you will note fields marked with an asterisk and a different background color. These fields are mandatory fields that must be completed to successfully submit your application.
 - c. Complete SF-424 Fields First: The forms are designed to fill in common required fields across other forms, such as the applicant name, address, and DUNS Number. Once it is completed, the information will transfer to the other forms.
- 3) Submit a Workspace: An application may be submitted through workspace by clicking the Sign and Submit button on the Manage Workspace page, under the

- Forms tab. Grants.gov recommends submitting your application package at least 24-48 hours prior to the close date to provide you with time to correct any potential technical issues that may disrupt the application submission.
- 4) **Track a Workspace Submission:** After successfully submitting a workspace application, a Grants.gov Tracking Number (GRANTXXXXXXXX) is automatically assigned to the application. The number will be listed on the Confirmation page that is generated after submission. Using the tracking number, access the Track My Application page under the Applicants tab or the Details tab in the submitted workspace.

For additional training resources, including video tutorials, refer to <https://www.grants.gov/web/grants/applicants/applicant-training.html>

Helpful Reminders

- 1) **REGISTER EARLY** – Grants.gov registration involves many steps including registration on SAM (www.sam.gov) which may take approximately one week to complete, but could take upwards of several weeks to complete, depending upon the completeness and accuracy of the data entered into the SAM database by an applicant. You may begin working on your application while completing the registration process, but you cannot submit an application until all of the Registration steps are complete. Please note that once your SAM registration is active, it will take 24-48 hours for the information to be available in Grants.gov, and before you can submit an application through Grants.gov. For detailed information on the Registration Steps, please go to: <http://www.grants.gov/web/grants/register.html> [Note: Your organization will need to update its SAM registration annually.]

Primary information about SAM is available at www.sam.gov. However, to further assist you with obtaining and registering your DUNS number and TIN in SAM or updating your existing SAM account the Department of Education has prepared a SAM.gov Tip Sheet which you can find at: <http://www2.ed.gov/fund/grant/apply/sam-faqs.html>

- 2) **SUBMIT EARLY** – **We strongly recommend that you do not wait until the last day to submit your application. Grants.gov will put a date/time stamp on your application and then process it after it is fully uploaded.** The time it takes to upload an application will vary depending on a number of factors including the size of the application and the speed of your Internet connection, and the time it takes Grants.gov to process the application will vary as well. If Grants.gov rejects your application (see step three below), you will need to resubmit successfully to Grants.gov before 11:59:59 p.m., Eastern Time on the deadline date.

Note: To submit successfully, you must provide the DUNS number on your application that was used when you registered as an Authorized Organization Representative (AOR) on Grants.gov. This DUNS number is typically the same number used when your organization registered with the SAM. If you do not enter the same DUNS number on your application as the DUNS you registered with, Grants.gov will reject your application.

- 3) **VERIFY SUBMISSION IS OK** – You will want to verify that Grants.gov received your application submission on time and that it was validated successfully. To see the date/time your application was received, login to Grants.gov and click on the Track My Application link. For a successful submission, the date/time received should be earlier

than 11:59:59 p.m., Eastern Time, on the deadline date, AND the application status should be: Validated, Received by Agency, or Agency Tracking Number Assigned. Once the Department of Education receives your application from Grants.gov, an Agency Tracking Number (PR/award number) will be assigned to your application and will be available for viewing on Grants.gov's Track My Application link.

If the date/time received is later than 11:59:59 p.m., Eastern Time, on the deadline date, your application is late. If your application has a status of "Received" it is still awaiting validation by Grants.gov. Once validation is complete, the status will either change to "Validated" or "Rejected with Errors." If the status is "Rejected with Errors," your application has not been received successfully. Some of the reasons Grants.gov may reject an application can be found on the Grants.gov site: <http://www.grants.gov/web/grants/applicants/encountering-error-messages.html>. For more detailed information on troubleshooting Adobe errors, you can review the Adobe Reader Software Tip Sheet at: <http://www.grants.gov/web/grants/applicants/adobe-software-compatibility.html>. If you discover your application is late or has been rejected, please see the instructions below. Note: You will receive a series of confirmations both online and via e-mail about the status of your application. Please do not rely solely on e-mail to confirm whether your application has been received timely and validated successfully.

Submission Problems – What should you do?

If you have problems submitting to Grants.gov before the closing date, please contact Grants.gov Customer Support at 1-800-518-4726 or email at: <mailto:support@grants.gov> or access the Grants.gov Self-Service Knowledge Base web portal at: <https://grants-portal.psc.gov/Welcome.aspx?pt=Grants>

If electronic submission is required, you must submit an electronic application before 11:59:59 p.m., Eastern Time, unless you follow the procedures in the Federal Register notice and qualify for one of the exceptions to the electronic submission requirement and submit, no later than two weeks before the application deadline date, a written statement to the Department that you qualify for one of these exceptions. If electronic submission is optional and you have problems that you are unable to resolve before the deadline date and time for electronic applications, please follow the transmittal instructions for hard copy applications in the Federal Register notice and get a hard copy application postmarked by midnight on the deadline date. (See the Federal Register notice for detailed instructions.)

Helpful Hints When Working with Grants.gov

Please go to <http://www.grants.gov/web/grants/support.html> for help with Grants.gov. For additional tips related to submitting grant applications, please refer to the Grants.gov Applicant FAQs found at this Grants.gov link: <http://www.grants.gov/web/grants/applicants/applicant-faqs.html> as well as additional information on Workspace at <https://www.grants.gov/web/grants/applicants/applicant-faqs.html#workspace>.

Dial-Up Internet Connections

1. When using a dial up connection to upload and submit your application, it can take significantly longer than when you are connected to the Internet with a high-speed connection, e.g. cable modem/DSL/T1. While times will vary depending upon the size of your application, it can take a few minutes to a few hours to complete your grant submission using a dial up connection. **If you do not have access to a high-speed connection and electronic submission is required, you may want to consider following the instructions in the Federal Register notice to obtain an exception to the electronic submission**

requirement no later than two weeks before the application deadline date. (See the Federal Register notice for detailed instructions.)

Attaching Files – Additional Tips

Please note the following tips related to attaching files to your application:

- PDF files and Microsoft Word documents are the only Education approved file type accepted as detailed in the Federal Register application notice. Applicants should submit individual .PDF files only when attaching files to their application. Specifically, the Department will not accept any attachments that contain files within a file, such as PDF Portfolio files, or an interactive or fillable .PDF file. Any attachments uploaded that are not .PDF files or Microsoft Word documents or are password protected files will not be read.
- Grants.gov cannot process an application that includes two or more files that have the same name within a grant submission. Therefore, each file uploaded to your application package should have a unique file name.
- When attaching files, applicants should follow the guidelines established by Grants.gov on the size and content of file names. Uploaded file names must be fewer than 50 characters, and, in general, applicants should not use any special characters. However, Grants.gov does allow for the following UTF-8 characters when naming your attachments: A-Z, a-z, 0-9, underscore, hyphen, space, period, parenthesis, curly braces, square brackets, ampersand, tilde, exclamation point, comma, semi colon, apostrophe, at sign, number sign, dollar sign, percent sign, plus sign, and equal sign. Applications submitted that do not comply with the Grants.gov guidelines will be rejected at Grants.gov and not forwarded to the Department.
- Applicants should limit the size of their file attachments. Documents submitted that contain graphics and/or scanned material often greatly increase the size of the file attachments and can result in difficulties opening the files. For reference, the average discretionary grant application package with all attachments is less than 5 MB. Therefore, you may want to check the total size of your package before submission.

Application Instructions

Electronic Application Format

Applications for grants under this competition must be submitted electronically, unless you qualify for an exception to the electronic submission requirement in accordance with the instructions in the Common Instructions for Applicants to Department of Education Discretionary Grant Programs (<https://www.govinfo.gov/content/pkg/FR-2019-02-13/pdf/2019-02206.pdf>) and in this application package under Application Submission Procedures.

In accordance with [34 CFR 75.216 \(b\) and \(c\)](#) application will not be evaluated for funding if the applicant does not comply with all of the procedural rules that govern the submission of the application or the application does not contain the information required under the program.

It is recommended that your electronic application be organized in the following manner and include the following parts in order to expedite the review process. Instructions for all parts and forms of the application are found either on the following pages of the application package or individually for each form on Grants.gov.

Important note: Applications submitted to Grants.gov for the Department of Education will be posted using web forms and Adobe forms. Therefore, applicants will need to download a compatible version of Adobe reader.

Information on computer and operating system compatibility with Adobe and links to download a compatible version is available on Grants.gov. Also, please review the **Application Submission Procedures** and in particular the **Grants.gov Submission Procedures and Tips for Applicants** forms found within this package for further information and guidance related to this requirement.

We strongly recommend that you review these details on www.Grants.gov before completing and submitting your application. In addition, applicants should submit their application a day or two in advance of the closing date as detailed below. If you have any questions regarding this matter please email the Grants.gov Contact Center at support@grants.gov or call 1-800-518-4726.

Instructions for all parts and forms of the application are found either on the following pages of the application package or individually for each form on Grants.gov.

Note: Please do not attach any narratives, supporting files, or application components to any forms unless it is specifically required by the instructions for the individual section of the application. Although several forms accept attachments, the Department of Education will only review materials/files attached in accordance with the instructions provided within this application package.

Instructions for U.S. Department of Education

Supplemental Information for the SF-424

1. **Project Director.** Name, address, telephone and fax numbers, and e-mail address of the person to be contacted on matters involving this application. Items marked with an asterisk (*) are mandatory.
2. **Novice Applicant.** Check “Yes” if you meet the definition for novice applicants specified in the regulations in 34 CFR 75.225 and included on the attached page entitled “Definitions for U.S. Department of Education Supplemental Information for the SF-424”). By checking “Yes” the applicant certifies that it meets these novice applicant requirements. Check “No” if you do not meet the definition for novice applicants.

This novice applicant information will be used by ED to: 1) determine the amount and type of technical assistance that a novice might need, if funded, and 2) determine novice applicant eligibility in discretionary grant competitions that give special consideration to novice applications. Certain ED discretionary grant programs give special consideration to novice applications, either by establishing a special competition for novice applicants or by giving competitive preference to novice applicants under the procedures in 34 CFR 75.105(c)(2). If special consideration is being given to novice applications under a particular discretionary grant competition, the application notice for the competition published in the Federal Register will specify this information

3. **Human Subjects Research.** (See I. A. “Definitions” in attached page entitled “Definitions for U.S. Department of Education Supplemental Information for the SF-424.”)

3a. **If Not Human Subjects Research.** Check “No” if research activities involving human subjects are not planned at any time during the proposed project period. The remaining parts of Item 3 are then not applicable.

3a. **If Human Subjects Research.** Check “Yes” if research activities involving human subjects are planned at any time during the proposed project period, either at the applicant organization or at any other performance site or collaborating institution. Check “Yes” even if the research is exempt from the regulations for the protection of human subjects. (See I. B. “Exemptions” in attached page entitled “Definitions for U.S. Department of Education Supplemental Information for SF-424.”)

3b. **If Human Subjects Research is Exempt from the Human Subjects Regulations.** Check “Yes” if all the research activities proposed are designated to be exempt from the regulations. Check the exemption number(s) corresponding to one or more of the eight exemption categories listed in I. B. “Exemptions.” In addition, follow the instructions in II. A. “Exempt Research Narrative” in the attached page entitled “Definitions for U.S. Department of Education Supplemental Information for the SF-424.”

3b. **If Human Subjects Research is Not Exempt from Human Subjects Regulations.** Check “No” if some or all of the planned research activities are covered (not exempt). In addition, follow the instructions in II. B. “Nonexempt Research Narrative” in the attached page entitled “Definitions for U.S. Department of Education Supplemental Information for the SF-424.”

3b. **Human Subjects Assurance Number.** If the applicant has an approved Federal Wide Assurance (FWA) on file with the Office for Human Research Protections (OHRP), U.S. Department of Health and Human Services, that covers the specific activity, insert the number in the space provided. (A list of current FWAs is available at: <http://ohrp.cit.nih.gov/search/search.aspx?styp=bsc>) If the applicant does not have an approved assurance on file with OHRP, enter “None.” In this case, the applicant, by signature on the SF-424, is declaring that it will comply with 34 CFR 97 and proceed to obtain the human subjects assurance upon request by the designated ED official. If the application is recommended/selected for funding, the designated ED official will request that the applicant obtain the assurance within 30 days after the specific formal request.

3c. If applicable, please attach your “Exempt Research” or “Nonexempt Research” narrative to your submission of the U.S Department of Education Supplemental Information for the SF-424 form as instructed in item II, “Instructions for Exempt and Nonexempt Human Subjects Research Narratives” in the attached page entitled “Definitions for U.S. Department of Education Supplemental Information for the SF-424.”

Note about Institutional Review Board Approval. ED does not require certification of Institutional Review Board approval with the application. However, if an application that involves non-exempt human subjects research is recommended/selected for funding, the designated ED official will request that the applicant obtain and send the certification to ED within 30 days after the formal request.

No covered human subjects research can be conducted until the study has ED clearance for protection of human subjects in research.

Public Burden Statement:

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless such collection displays a valid OMB control number. Public reporting burden for this collection of information is estimated to average 20 minutes per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. The obligation to respond to this collection is required to obtain or retain benefit (20 USC 3474 General Education Provisions Act). Send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the U.S. Department of Education, 400 Maryland Ave., SW, Washington, DC 20210-4537 or email ICDocketMgr@ed.gov and reference the OMB Control Number 1894-0007. Note: Please do not return the completed ED SF 424 Supplemental Form to this address.

Definitions for U.S. Department of Education Supplemental Information for the SF-424

Definitions:

Novice Applicant (See 34 CFR 75.225)

For discretionary grant programs, novice applicant means any applicant for a grant from ED that—

- Has never received a grant or subgrant under the program from which it seeks funding;
- Has never been a member of a group application, submitted in accordance with 34 CFR 75.127-75.129, that received a grant under the program from which it seeks funding; and
- Has not had an active discretionary grant from the Federal government in the five years before the deadline date for applications under the program. For the purposes of this requirement, a grant is active until the end of the grant's project or funding period, including any extensions of those periods that extend the grantee's authority to obligate funds.

In the case of a group application submitted in accordance with 34 CFR 75.127-75.129, a group includes only parties that meet the requirements listed above.

PROTECTION OF HUMAN SUBJECTS IN RESEARCH

I. Definitions and Exemptions

A. Definitions.

A research activity involves human subjects if the activity is research, as defined in the Department's regulations, and the research activity will involve use of human subjects, as defined in the regulations.

—Research

The ED Regulations for the Protection of Human Subjects, Title 34, Code of Federal Regulations, Part 97, define research as “a systematic investigation, including research development, testing and evaluation, designed to develop or contribute to generalizable knowledge. Activities which meet this definition constitute research whether or not they are conducted or supported under a program that is considered research for other purposes. For example, some demonstration and service programs may include research activities.

—Human Subject

The regulations define human subject as “a living individual about whom an investigator (whether professional or student) conducting research obtains (1) data through intervention or interaction with the individual, or (2) identifiable private information.” (1) If an activity involves obtaining information about a living person by manipulating that person or that person's environment, as might occur when a new instructional technique is tested, or by communicating or interacting with the individual, as occurs with surveys and interviews, the definition of human subject is met. (2) If an activity involves obtaining private information about a living person in such a way that the information can be **directly or indirectly** linked to that individual, the definition of human subject is met [Private information includes information about behavior that occurs in a context in which an individual can reasonably expect that no observation or recording is taking place, and information which has been provided for specific purposes by an individual and which the individual can reasonably expect will not be made public (for example, a school health record).]

B. Exemptions.

Research activities in which the **only** involvement of human subjects will be in one or more of the following six categories of **exemptions** are not covered by the regulations:

(1) Research conducted in established or commonly accepted educational settings, involving normal educational practices, such as (a) research on regular and special education instructional strategies, or (b) research on the effectiveness of or the comparison among instructional techniques, curricula, or classroom management methods. **If an educational practice is being introduced to the site and is not widely used for similar populations, it is not covered by this exemption.**

(2) Research involving the use of educational tests (cognitive, diagnostic, aptitude, achievement), survey procedures, interview procedures or observation of public behavior, unless: (a) information obtained is recorded in such a manner that human subjects can be identified, directly or through identifiers linked to the subjects; and (b) any disclosure of the human subjects' responses outside the research could reasonably place the subjects at risk of criminal or civil liability or be damaging to the subjects' financial standing, employability, or reputation. **If the subjects are children, exemption 2 applies only to research involving educational tests and observations of public behavior when the investigator(s) do not participate in the activities being observed.**

Exemption 2 does not apply if children are surveyed or interviewed or if the research involves observation of public behavior and the investigator(s) participate in the activities being observed. [Children are defined as persons who have not attained the legal age for consent to treatments or procedures

involved in the research, under the applicable law or jurisdiction in which the research will be conducted.]

(3) Research involving the use of educational tests (cognitive, diagnostic, aptitude, achievement), survey procedures, interview procedures or observation of public behavior that is not exempt under section (2) above, if the human subjects are elected or appointed public officials or candidates for public office; or federal statute(s) require(s) without exception that the confidentiality of the personally identifiable information will be maintained throughout the research and thereafter.

(4) Research involving the collection or study of existing data, documents, records, pathological specimens, or diagnostic specimens, if these sources are publicly available or if the information is recorded by the investigator in a manner that subjects cannot be identified, directly or through identifiers linked to the subjects. **[This exemption applies only to retrospective studies using data collected before the initiation of the research.]**

(5) Research and demonstration projects which are conducted by or subject to the approval of department or agency heads, and which are designed to study, evaluate, or otherwise examine: (a) public benefit or service programs; (b) procedures for obtaining benefits or services under those programs; (c) possible changes in or alternatives to those programs or procedures; or (d) possible changes in methods or levels of payment for benefits or services under those programs. **[The standards of this exemption are rarely met because it was designed to apply only to specific research conducted by HHS at the time the regulations were established. We will strictly construe this exemption because it was not intended to apply to ED research.]**

(6) Taste and food quality evaluation and consumer acceptance studies, (a) if wholesome foods without additives are consumed or (b) if a food is consumed that contains a food ingredient at or below the level and for a use found to be safe, or agricultural chemical or environmental contaminant at or below the level found to be safe, by the Food and Drug Administration or approved by the Environmental Protection Agency or the Food Safety and Inspection Service of the U.S. Department of Agriculture.

II. Instructions for Exempt and Nonexempt Human Subjects Research Narratives

If the applicant marked “Yes” for Item 3.b. of the U.S. Department of Education Supplemental Information for the SF-424, the applicant must attach a human subjects “exempt research” or “nonexempt research” narrative to the U.S. Department of Education Supplemental Information for the SF-424 form. If you have multiple projects and need to provide

more than one narrative, be sure to label each set of responses as to the project they address.

A. Exempt Research Narrative.

If you marked “Yes” for item 3.b. and designated exemption numbers(s), attach the “exempt research” narrative to the U.S. Department of Education Supplemental Information for the SF-424. The narrative must contain sufficient information about the involvement of human subjects in the proposed research to allow a determination by ED that the designated exemption(s) are appropriate. The narrative must be succinct.

B. Nonexempt Research Narrative.

If you marked “No” for item 3.b. you must attach the “nonexempt research” narrative to the U.S. Department of Education Supplemental Information for the SF-424. The narrative must address the following seven points. Although no specific page limitation applies to this section of the application, be succinct.

(1) Human Subjects Involvement and Characteristics:

Provide a detailed description of the proposed involvement of human subjects. Describe the characteristics of the subject population, including their anticipated number, age range, and health status. Identify the criteria for inclusion or exclusion of any subpopulation. Explain the rationale for the involvement of special classes of subjects, such as children, children with disabilities, adults with disabilities, persons with mental disabilities, pregnant women, prisoners, institutionalized individuals, or others who are likely to be vulnerable

(2) Sources of Materials: Identify the sources of research material obtained from individually identifiable living human subjects in the form of specimens, records, or data. Indicate whether the material or data will be obtained specifically for research purposes or whether use will be made of existing specimens, records, or data.

(3) Recruitment and Informed Consent: Describe plans for the recruitment of subjects and the consent procedures to be followed. Include the circumstances under which consent will be sought and obtained, who will seek it, the nature of the information to be provided to prospective subjects, and the method of documenting consent. State if the Institutional Review Board (IRB) has authorized a modification or waiver of the elements of consent or the requirement for documentation of consent.

(4) Potential Risks: Describe potential risks (physical, psychological, social, legal, or other) and assess their likelihood and seriousness. Where appropriate, describe alternative treatments and procedures that might be advantageous to the subjects.

(5) **Protection Against Risk:** Describe the procedures for protecting against or minimizing potential risks, including risks to confidentiality, and assess their likely effectiveness. Where appropriate, discuss provisions for ensuring necessary medical or professional intervention in the event of adverse effects to the subjects. Also, where appropriate, describe the provisions for monitoring the data collected to ensure the safety of the subjects.

(6) **Importance of the Knowledge to be Gained:** Discuss the importance of the knowledge gained or to be gained as a result of the proposed research. Discuss why the risks to subjects are reasonable in relation to the anticipated benefits to subjects and in relation to the importance of the knowledge that may reasonably be expected to result.

(7) **Collaborating Site(s):** If research involving human subjects will take place at collaborating site(s) or other performance site(s), name the sites and briefly describe their involvement or role in the research.

Copies of the Department of Education's Regulations for the Protection of Human Subjects, 34 CFR Part 97 and other pertinent materials on the protection of human subjects in research are available from the Office of the Chief Financial Officer, U.S. Department of Education, Washington, D.C. 20202-4331, telephone: (202) 245-8090, and on the U.S. Department of Education's Protection of Human Subjects in Research Web Site:
<http://www.ed.gov/about/offices/list/ocfo/humansub.html>

NOTE: The **State Applicant Identifier** on the SF-424 is for State Use only. Please complete it on the SF-424 in the upper right corner of the form (if applicable).

Part 2: Budget Information

☐ ED Budget Information Non-Construction Programs (ED Form 524, Sections A and B)

This part of your application contains information about the Federal funding you are requesting. Remember that you must provide all requested budget information for each year of the project (60 months) and the total in order to be considered for Federal funding. Specific instructions for completing the budget forms are provided within this application package.

Instructions for completing ED Form 524 Section A:

Name of Institution/Organization: Enter the name of the applicant in the space provided.

Personnel (line 1): Enter project personnel salaries and wages only. Include fees and expenses for consultants on line 6. Include a statement describing the total commitment of time, and salary to be charged to the project for the Project Director and/or Coordinator in Section C of the Budget Narrative.

Fringe Benefits (line 2): The institution's normal fringe benefits contribution may be charged to the program. Leave this line blank if fringe benefits applicable to direct salaries and wages are treated as part of the indirect cost.

Travel (line 3): Indicate the travel costs of employees and participants only. Include travel of persons such as consultants on line 6. Individual expenses for participant transportation must be included in the application for a two-day OME Annual Meeting for HEP Directors in the Washington, DC area in each year of the project period.

Equipment (line 4): Indicate the cost of tangible, non-expendable personal property that has a usefulness greater than one year and acquisition costs that are the lesser of the capitalization level established by the applicant entity for financial statement purposes or \$5,000 per article. Lower limits may be established to maintain consistency with the applicant's policy.

Supplies (line 5): Show all tangible, expendable personal property. Direct supplies and materials differ from equipment in that they are consumable, expendable, and of a relatively low unit cost. Supplies purchased with grant funds should directly benefit the grant project and be necessary for achieving the goals of the project.

Contractual (line 6): The contractual category should include all costs specifically incurred with actions that the applicant takes in conjunction with an established internal procurement system. Include consultant fees, expenses, and travel costs in this category if the consultant's services are obtained through a written binding agreement or contract.

Construction (line 7): Not applicable.

Other (line 8): Indicate all direct costs not covered on lines 1-6. For example, include costs such as space rental, required fees, honoraria and travel (where a contract is not in place for services),

training, and communication and printing costs. Do not include costs that are included in the indirect cost rate.

Total Direct Costs (line 9): The sum of lines 1-8.

Indirect Costs (line 10): Indicate the applicant's approved indirect cost rate, per 34 CFR 75.560 – 75.564. If an applicant does not have an approved indirect cost rate agreement with a cognizant Federal agency and wishes to charge indirect costs to the grant, the applicant must apply to the Department for a temporary indirect cost rate. For more information, go to the Department's website at: <http://www.ed.gov/about/offices/list/ocfo/fipao/icgindex.html>.

Training Stipends (line 11): Indicate the total of all training stipends for each year of the project. Refer to Part 5 Budget Narrative program-specific instructions, Number 11 Training Stipends for more information.

Total Cost (line 12): This should equal to sum of lines 9-11 (total direct costs plus indirect plus stipends). The sum for column one, labeled Project Year 1 (a), should also be equal to item 15a on the application cover sheet (SF Form 424).

Note on Sections A and B:

Please note: Regardless of any other information in the application, the Department will interpret an ED 524 form that, in Part A, provides a blank budget summary for any of the five project years as the applicant's intent to seek "\$0" for that year, and thus to not operate a project that year. Similarly, the Department will interpret any blank spaces on the ED 524 budget form as \$0.

This program does not require cost-sharing or matching funds. An applicant that voluntarily provides non-Federal resources to the project should show these funds for each applicable budget category on lines 1-11 of Section B, and provide an itemized breakdown for each budget category listed in Sections A and B.

Please remember: Amounts representing the difference between the 8 percent rate and a greater indirect cost rate negotiated with an agency may not be charged to direct cost categories, used to satisfy matching or cost-sharing requirements, or charged to another Federal award. [34 CFR §75.562 (c)(5)]

Program-suggested guidelines for completing Section C, the Budget Narrative, are included in Part 5: Budget Narrative.

Instructions for ED 524

Lines 1-11, column (f): Show the multi-year total for each budget category. If funding is requested for only one project year, leave this column blank.

Line 12, columns (a)-(e): Show the total budget request for each project year for which funding is requested.

If you checked "no," ED generally will authorize grantees to use a temporary rate of 10 percent of budgeted salaries and wages (**complete (4) of this section when using the temporary rate**) subject to the following limitations:

(a) The grantee must submit an indirect cost proposal to its cognizant agency within 90 days after ED issues a grant award notification; and

(b) If after the 90-day period, the grantee has not submitted an indirect cost proposal to its cognizant agency, the grantee may not charge its grant for indirect costs until it has negotiated an indirect cost rate agreement with its cognizant agency.

(2): If you checked "yes" in (1), indicate in (2) the beginning and ending dates covered by the Indirect Cost Rate Agreement. In

addition, indicate whether ED, another Federal agency (Other) or State agency issued the approved agreement. If you check "Other," specify the name of the Federal or other agency that issued the approved agreement.

(3): If you check "no" in (1), indicate in (3) if you want to use the de minimis rate of 10 percent of MTDC (see 2CFR § 200.68). If you use the de minimis rate, you are subject to the provisions in 2 CFR § 200.414(f). Note, you may only use the 10 percent de minimis rate if you are a first-time Federal grant recipient, and you do not have an Approved Indirect Cost Rate Agreement. You may not use the de minimis rate if you are a State, Local government, or Indian Tribe, or if your grant is funded under a training rate or restricted rate program.

(3): If you are applying for a grant under a Restricted Rate Program (34 CFR 75.563 or 76.563), indicate whether you are using a restricted indirect cost rate that is included on your approved Indirect Cost Rate Agreement, or whether you are using a restricted indirect cost rate that complies with 34 CFR 76.564(c)(2). Note: State or Local government agencies may not use the provision for a restricted indirect cost rate specified in 34 CFR 76.564(c)(2). Check only one response. Leave blank, if this item is not applicable.

Section B - Budget Summary

Non-Federal Funds

If you are required to provide or volunteer to provide cost-sharing or matching funds or other non-Federal resources to the project, these should be shown for each applicable budget category on lines 1-11 of Section B.

Lines 1-11, columns (a)-(e): For each project year, for which matching funds or other contributions are provided, show the total contribution for each applicable budget category.

Lines 1-11, column (f): Show the multi-year total for each budget category. If non-Federal contributions are provided for only one year, leave this column blank.

Line 12, columns (a)-(e): Show the total matching or other contribution for each project year.

Line 12, column (f): Show the total amount to be contributed for all years of the multi-year project. If non-Federal contributions are provided for only one year, leave this space blank.

Section C - Budget Narrative [Attach separate sheet(s)]

Pay attention to applicable program specific instructions, if attached.

1. Provide an itemized budget breakdown, and justification by project year, for each budget category listed in Sections A and B. For grant projects that will be divided into two or more separately budgeted major activities or sub-projects, show for each budget category of a project year the breakdown of the specific expenses attributable to each sub-project or activity.
2. For non-Federal funds or resources listed in Section B that are used to meet a cost-sharing or matching requirement or provided as a voluntary cost-sharing or matching commitment, you must include:

- a. The specific costs or contributions by budget category;
- b. The source of the costs or contributions; and
- c. In the case of third-party in-kind contributions, a description of how the value was determined for the donated or contributed goods or services.

[Please review cost sharing and matching regulations found in 2 CFR 200.306.]

3. If applicable to this program, provide the rate and base on which fringe benefits are calculated.
4. If you are requesting reimbursement for indirect costs on line 10, this information is to be completed by your Business Office. Specify the estimated amount of the base to which the indirect cost rate is applied and the total indirect expense. Depending on the grant program to which you are applying and/or your approved Indirect Cost Rate Agreement, some direct cost budget categories in your grant application budget may not be included in the base and multiplied by your indirect cost rate. For example, you must multiply the indirect cost rates of "Training grants" (34 CFR 75.562) and grants under programs with "Supplement not Supplant" requirements ("Restricted Rate" programs) by a "modified total direct cost" (MTDC) base (34 CFR 75.563 or 76.563). Please indicate which costs are included and which costs are excluded from the base to which the indirect cost rate is applied. When calculating indirect costs (line 10) for "Training grants" or grants under "Restricted Rate" programs, you must refer to the information and examples on ED's website at: <http://www.ed.gov/fund/grant/apply/appforms/appforms.html>. You may also contact (202) 377-3838 for additional information regarding calculating indirect cost rates or general indirect cost rate information.
5. Provide other explanations or comments you deem necessary.

Paperwork Burden Statement

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless such collection displays a valid OMB control number. The valid OMB control number for this information collection is **1894-0008**. The time required to complete this information collection is estimated to vary from 13 to 22 hours per response, with an average of 17.5 hours per response, including the time to review instructions, search existing data sources, gather the data needed, and complete and review the information collection. If you have any comments concerning the accuracy of the time estimate(s) or suggestions for improving this form, please write to: U.S. Department of Education, Washington, D.C. 20202-4537. If you have comments or concerns regarding the status of your individual submission of this form, write directly to (insert program office), U.S. Department of Education, 400 Maryland Avenue, S.W., Washington, D.C. 20202.

Part 3: ED Abstract Form

This section should be attached as a single document to the ED Abstract Form in accordance with the instructions found on Grants.gov and should be organized in the following manner and include the following parts in order to expedite the review process.

Ensure that you only attach the Education approved file types detailed in the Federal Register application notice (read-only, flattened .pdf files or Microsoft Word documents). Also, do not upload any password-protected files to your application.

Please note that Grants.gov cannot process an application that includes two or more files that have the same name within a grant submission. Therefore, each file uploaded to your application package should have a unique file name.

When attaching files, applicants should follow the guidelines established by Grants.gov on the size and content of file names. Uploaded file names must be fewer than 50 characters, and, in general, applicants should not use any special characters. Applications submitted that do not comply with the Grants.gov guidelines will be rejected at Grants.gov and not forwarded to the Department.

Applicants should limit the size of their file attachments. Documents submitted that contain graphics and/or scanned material often greatly increase the size of the file attachments and can result in difficulties opening the files.

❑ Project Abstract

We recommend the project abstract be **one** double spaced page and include a concise description of the following information, preferably in the following order:

- Name of Applicant
- City and State of Applicant
- Project objectives and activities
- Applicable priorities
- Proposed project outcomes
- Number of participants to be served annually, distinguished by commuter or residential
- Number and location of proposed sites
- Project targets for meeting each of the GPRA measures each year

Part 4: Project Narrative Attachment Form

This section should be attached as a **single** document to the Project Narrative Attachment Form in accordance with the instructions found on [Grants.gov](https://www.grants.gov) and should be organized in the following manner and include the following parts in order to expedite the review process.

Ensure that you only attach the Education approved file types detailed in the Federal Register application notice (read-only, flattened .pdf files or Microsoft Word documents). Also, do not upload any password-protected files to your application.

When attaching files, applicants should limit the size of file names. Lengthy file names could result in difficulties with opening and processing your application. We recommend file names of less than 50 characters. Applications submitted that do not comply with the Grants.gov guidelines will be rejected at Grants.gov and not forwarded to the Department.

Applicants should limit the size of their file attachments. Documents submitted that contain graphics and/or scanned material often greatly increase the size of the file attachments and can result in difficulties opening the files.

☐ Table of Contents

The Table of Contents shows where and how the important sections of your proposal are organized. We recommend it not exceed **one** double spaced page.

☐ Application Narrative

The application narrative responds to the selection criteria found in this application package and should follow the order of the selection criteria.

We recommend the project narrative not exceed 25 pages and adhere to the following standards:

- A “page” is 8.5” x 11”, on one side only, with 1” margins at the top, bottom, and both sides.
- Double space (no more than three lines per vertical inch) all text in the project narrative, including titles, headings, footnotes, quotations, references, and captions. However, you may single space all text in charts, tables, figures, and graphs. Charts, tables, figures, and graphs presented in the project narrative count toward the page limit.
- Use a font that is either 12 point or larger or no smaller than 10 pitch (characters per inch).
- Use one of the following fonts: Times New Roman, Courier, Courier New, or Arial. An application submitted in any other font (including Times Roman or Arial Narrow) will not be accepted.

The recommended page limit of no more than 25 pages applies to the project narrative; however, the recommended page limit does not apply to the cover sheet, the budget section, including the narrative budget justification, the assurances and certifications, nor the one-page abstract.

The Appendices recommended page limit is 20 pages and should include the following: resumes, job descriptions, letters of support, and bibliography.

Selection Criteria for Program Narrative

The maximum score for all selection criteria is 100 points. The points or weights assigned to each criterion are indicated in parentheses. Non-Federal peer reviewers will review each application. They will be asked to evaluate and score each program narrative against the following selection criteria:

The applicant must address all the following criteria from 34 CFR 75.210 (General Selection Criteria). The total maximum score is 100 points for the following selection criteria. The maximum score for each criterion is indicated after each criterion. Application reviewers will be provided with a suggested scoring rubric, which is included in the Frequently Asked Questions section of this document.

	Selection Criteria	Maximum Points
1.	Need for Project	10 points
2.	Quality of the Project Design	28 points
3.	Quality of Project Services	20 points
4.	Quality of Project Personnel	10 points
5.	Adequacy of Resources	12 points
6.	Quality of the Project Evaluation	20 points

TOTAL SCORE (100 points maximum)

In describing the proposed project, applicants should address the six selection criteria in the order in which they are listed above.

1. Need for Project (up to 10 points). The Secretary considers the need for the proposed project. In determining the need for the proposed project, the Secretary considers the following factors:

- i. The magnitude of the need for the services to be provided or the activities to be carried out by the proposed project. (up to 5 points)
- ii. The extent to which the proposed project will focus on serving or otherwise addressing the needs of disadvantaged individuals (i.e., eligible migrant and seasonal farmworkers and their families). (up to 5 points)

2. Quality of the Project Design (up to 28 points). The Secretary considers the quality of the design of the proposed project. In determining the quality of the design of the proposed project, the Secretary considers the following factors:

- i. The extent to which the goals, objectives, and outcomes to be achieved by the proposed project are clearly specified and measurable. (up to 7 points)

- ii. The extent to which the design of the proposed project is appropriate to, and will successfully address, the needs of the target population or other identified needs. (up to 7 points)
- iii. The extent to which the proposed project will establish linkages with other appropriate agencies and organizations providing services to the target population. (up to 7 points)
- iv. The extent to which the proposed project demonstrates a rationale (as defined in 34 CFR 77.1(c)). (up to 7 points)

Note: Applicants may address this criterion in any way that is reasonable. However, as required in section 418A (d) of the HEP/CAMP program statute, “Each project application shall include a management plan which contains assurances that the grant recipient will coordinate the project, to the extent feasible, with other local, State, and Federal programs to maximize the resources available for migrant students, and that staff shall have a demonstrated knowledge and be sensitive to the unique characteristics and needs of the migrant and seasonal farmworker population, and provisions for:

- (1) staff in-service training;
- (2) training and technical assistance;
- (3) staff travel;
- (4) student travel;
- (5) interagency coordination; and
- (6) an evaluation plan.”

In addition, 34 CFR 206.20(d) requires that the grantee provide the following assurances “(1) the grantee will develop and implement a plan for identifying, informing, and recruiting eligible participants who are most in need of the academic and supporting services and financial assistance provided by the project; (2) the grantee will develop and implement a plan for identifying and using the resources of the participating IHE and the community to supplement and enhance the services provided by the project.”

Finally, applicants must address Competitive Preference Priority 1 under this selection criterion in order to be evaluated under this priority.

3. Quality of Project Services (up to 20 points). The Secretary considers the quality of the services to be provided by the proposed project. In determining the quality of the services to be provided by the proposed project, the Secretary considers the quality and sufficiency of strategies for ensuring equal access and treatment for eligible project participants who are members of groups that have traditionally been underrepresented based on race, color, national origin, gender, age, or disability. (up to 3 points)

In addition, the Secretary considers the following factors:

- i. The extent to which the services to be provided by the proposed project are appropriate to the needs of the intended recipients or beneficiaries of those services. (up to 6 points)

- ii. The extent to which the services to be provided by the proposed project involve the collaboration of appropriate partners for maximizing the effectiveness of project services. (up to 5 points)
- iii. The likely impact of the services to be provided by the proposed project on the intended recipients of those services. (up to 6 points)

4. Quality of Project Personnel (up to 10 points). The Secretary considers the quality of the personnel that will carry out the proposed project. In determining the quality of project personnel, the Secretary considers the extent to which the applicant encourages applications for employment from persons who are members of groups that have traditionally been underrepresented based on race, color, national origin, gender, age, or disability. (up to 2 points)

In addition, the Secretary considers the following factors:

- i. The qualifications, including relevant training and experience, of the project director or principal investigator. (up to 5 points)
- ii. The qualifications, including relevant training and experience of key project personnel. (up to 3 points)

Note: Applicants may address this criterion in any way that is reasonable. Given the purpose of the HEP project, the applicant may want to consider the staff sensitivity and understanding of the unique characteristics and needs of the migrant and seasonal farmworker population.

5. Adequacy of Resources (up to 12 points). The Secretary considers the adequacy of resources for the proposed project. In determining the adequacy of resources for the proposed project, the Secretary considers the following factors:

- i. The adequacy of support, including facilities, equipment, supplies, and other resources, from the applicant organization or the lead applicant organization. (up to 4 points)
- ii. The relevance and demonstrated commitment of each partner in the proposed project to the implementation and success of the project. (up to 4 points)
- iii. The extent to which the costs are reasonable in relation to the objectives, design, and potential significance of the proposed project. (up to 4 points)

Note: When addressing this criterion, applicants may want to consider including the information in 34 CFR 206.20(d)(2) which requires applicants to develop and implement a plan for identifying and using the resources of the participating IHE and the community to supplement and enhance the services provided by the project.

6. Quality of the Project Evaluation (up to 20 points). The Secretary considers the quality of the evaluation to be conducted of the proposed project. In determining the quality of the evaluation, the Secretary considers the following factors:

- i. The extent to which the methods of evaluation are thorough, feasible, and appropriate to the goals, objectives, and outcomes of the proposed project (up to 10 points)
- ii. The extent to which the methods of evaluation will provide performance feedback and permit periodic assessment of progress toward achieving intended outcomes. (up to 5 points)
- iii. The extent to which the methods of evaluation will, if well implemented, produce promising evidence (as defined in 34 CFR 77.1(c)) about the project's effectiveness. (up to 5 points)

Note: A strong evaluation plan should be included in the application narrative and should be used, as appropriate, to shape the development of the project from the beginning of the grant period. The plan should include benchmarks to monitor progress toward specific project objectives and also outcome measures to assess the impact on teaching and learning or other important outcomes for project participants. More specifically, the plan should identify the individual and/or organization that has agreed to serve as evaluator for the project and describe the qualifications of that evaluator.

The plan should describe the evaluation design, indicating: (1) what types of data will be collected; (2) when various types of data will be collected; (3) what methods will be used; (4) what instruments will be developed and when; (5) how the data will be analyzed; (6) when reports of results and outcomes will be available; and (7) how the applicant will use the information collected through the evaluation to monitor progress of the funded project and to provide accountability information both about success at the initial site and effective strategies for replication in other settings. Applicants are encouraged to devote an appropriate level of resources to project evaluation.

Successful applicants will be expected to report annually on the progress of each project or study included in the grant, including a description of preliminary or key findings and an explanation of any changes in goals, objectives, methodology, or planned products or publications.

Additional Factors

We remind potential applicants that in reviewing applications in any discretionary grant competition, the Secretary considers, under 34 CFR 75.217(d)(3), the past performance of the applicant in carrying out a previous award, such as the applicant's use of funds, and compliance with grant conditions. The Secretary may also consider whether the applicant failed to submit a timely performance report or submitted a report of unacceptable quality.

In addition, in making a competitive grant award, the Secretary also requires various assurances including those applicable to Federal civil rights laws that prohibit discrimination in programs or activities receiving Federal financial assistance from the Department of Education (34 CFR 100.4, 104.5, 106.4, 108.8, and 110.23)

Part 5: Budget Narrative

This section should be attached as a **single** document to the Budget Narrative Attachment Form in accordance with the instructions found on [Grants.gov](https://www.Grants.gov). It should be organized in the following manner and include the following parts in order to expedite the review process.

When attaching files, applicants should follow the guidelines established by Grants.gov on the size and content of file names. Uploaded file names must be fewer than 50 characters, and, in general, applicants should not use any special characters. Applications submitted that do not comply with the Grants.gov guidelines will be rejected at Grants.gov and not forwarded to the Department.

Applicants should limit the size of their file attachments. Documents submitted that contain graphics and/or scanned material often greatly increase the size of the file attachments and can result in difficulties opening the files.

Each application must also provide a Budget Narrative (which serves to meet the requirements of ED Form 524, Section C) for requested Federal funds. The Budget Narrative for requested Federal funds should provide a justification of how the money requested for each budget item will be spent.

This section requires an **itemized budget breakdown** for each project year and the **basis for estimating the costs** of personnel salaries, benefits, project staff travel, materials and supplies, consultants and subcontracts, indirect costs and any other projected expenditures. Be sure to complete an itemized budget breakdown and narrative for each year of the proposed project (60 months).

The Budget Narrative provides an opportunity for the applicant to identify the nature and amount of the proposed expenditures. The applicant should provide sufficient detail to enable reviewers and project staff to understand how requested funds will be used, how much will be expended, and the relationship between the requested funds and project activities and outcomes.

Though not required, if an applicant chooses to include non-Federal funds in the application, the applicant must include the non-Federal funds in Section B of ED Form 524 and include a description of the use of funds in the budget narrative. As a reminder, if an applicant proposed non-Federal matching funds and they are awarded a grant the grantee must provide those funds for each year the funds are proposed.

Applicants should be aware that amounts representing the difference between the 8 percent rate and a greater indirect cost rate negotiated with an agency may not be charged to direct cost categories, used to satisfy matching or cost-sharing requirements, or charged to another Federal award. [34 CFR §75.562(c) (5)]

Important Notes

Applicants are encouraged to review the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards in 2 CFR part 200, as adopted and amended in 2 CFR part 3474.

Suggested Guidelines for the Budget Narrative

In accordance with 34 CFR 75.232, Department of Education staff perform a cost analysis of each recommended project to ensure that costs relate to the activities and objectives of the project, are reasonable, allowable and allocable. Note that 34 CFR § 75.135(b) permits applicants, under certain circumstances, to identify in their grant applications contractors that they have previously selected through the use of the small purchase procedures set out in 2 CFR 200.320(b) (formerly 34 CFR 80.36(d)(1)) regardless of whether the purchase exceeds the Simplified Acquisition Threshold defined in 2 CFR 200.88 (currently \$250,000). 12. Total Costs

- Sum total of direct costs, indirect costs, and stipends.
- Please provide total costs for each year of the project as well as grand total cost for the entire project (60 months).

Important Information Regarding Indirect Costs

Some or all of the grants awarded under (High School Equivalency Program, 84.141A) have been designated training grants. The Education Department General Administrative Regulations (EDGAR) limit reimbursement of indirect costs under training grants to non-governmental grantees. These grantees may recover indirect costs under training grants up to the grantee's actual indirect costs as determined by the grantee's negotiated indirect cost agreement or 8 percent of MTDC, whichever rate is lower.

Note: This limitation does not apply to State agencies, local governments or federally-recognized Indian tribal governments. [34 CFR §75.562(c)(2)]

Applicants should be aware that indirect cost amounts exceeding the limitation, described in the first paragraph of this section, may not be charged to direct cost categories, used to satisfy matching or cost-sharing requirements, or charged to another Federal award. [34 CFR §75.562(c)(5)]

Although applicants are not required to submit with their application a copy of their indirect cost agreement to claim the 8 percent training rate for funding received in this program, if they are awarded a grant, they must have documentation available for audit that shows that the indirect costs incurred under the grant are at least 8 percent of MTDC.

If an applicant selected for funding under this program has not already established a current indirect cost rate with its cognizant agency as a result of current or previous funding, ED generally will authorize the grantee to use a temporary rate of 10 percent of budgeted direct salaries and wages.

Use of the temporary rate of 10 percent of budgeted direct salaries and wages is subject to the following limitations:

1. The grantee must submit an indirect cost rate proposal to its cognizant agency within 90 days after ED issues the GAN.
2. If, after the 90-day period, the grantee has not submitted an indirect cost rate proposal to the cognizant agency, the grantee may not charge its grant for indirect costs (except when ED finds exceptional circumstances) until it has negotiated an indirect cost rate agreement with its cognizant agency.
3. The grantee may only recover indirect costs incurred on or after the date it submitted its indirect cost rate proposal to its cognizant agency or at the start of the of the project period, whichever of the two occurs later.
4. The total amount of funds recovered by the grantee under the federally recognized indirect cost rate is reduced by the amount of indirect costs previously recovered under the temporary indirect cost rate.
5. The grantee must obtain prior approval from the Secretary to shift direct costs to indirect costs in order to recover indirect costs at a higher negotiated indirect cost

rate.

6. The grantee may not request additional funds to recover indirect costs that it cannot recover by shifting direct costs to indirect costs.

Part 6: Other Attachments Form

Attach one or more documents to the Other Attachments Form in accordance with the instructions found on Grants.gov. You may provide all of the required information in a single document, or in multiple documents.

When attaching files, applicants should follow the guidelines established by Grants.gov on the size and content of file names. Uploaded file names must be fewer than 50 characters, and, in general, applicants should not use any special characters. Applications submitted that do not comply with the Grants.gov guidelines will be rejected at Grants.gov and not forwarded to the Department.

Applicants should limit the size of their file attachments. Documents submitted that contain graphics and/or scanned material often greatly increase the size of the file attachments and can result in difficulties opening the files.

- ☐ **Individual Resumes for Project Directors and Key Personnel:** If the project director and key personnel have been selected and identified in the application, provide brief resumes that describe their unique qualifications for the responsibilities they will carry out under the project. If the project director and key personnel have not been selected, at least provide the Job Descriptions and minimum required qualifications for their positions (see below).
- ☐ **Job Descriptions:** Regardless of whether or not the project director and key personnel have been selected, provide brief job descriptions that outline the minimum required qualifications, responsibilities and duties of these positions under the project. These will be the standards the Department will use for approval of key personnel changes.
- ☐ **Letters of Support (if any):** Applicants may provide letters of support from organizations specifically referenced in the project narrative that will provide significant collaboration to the project.
- ☐ **Copy of Indirect Cost Rate Agreement:** If an applicant decides to charge indirect costs to this program and there is an indirect cost rate in place, the applicant shall provide a copy of the most recent approved Indirect Cost Agreement in the Other Attachments Form section of the application.

If an applicant decides to charge indirect costs to this program and there is a no indirect cost rate in place, the applicant must follow the instructions found in the Important Information Regarding Indirect Cost Rates section found in this application package.

Part 7: Assurances and Certifications

Be certain to complete all required assurances and certifications in [Grants.gov](https://grants.gov), and include all required information in the appropriate place on each form. The assurances and certifications required for this application are:

- ☐ Disclosure of Lobbying Activities (SF LLL Form)
- ☐ Certification Regarding Lobbying (ED 80-0013 Form)
- ☐ General Education Provisions Act (GEPA) Requirements – Section 427

INSTRUCTIONS FOR COMPLETION OF SF-LLL, DISCLOSURE OF LOBBYING ACTIVITIES

This disclosure form shall be completed by the reporting entity, whether subawardee or prime Federal recipient, at the initiation or receipt of a covered Federal action, or a material change to a previous filing, pursuant to title 31 U.S.C. section 1352. The filing of a form is required for each payment or agreement to make payment to any lobbying entity for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with a covered Federal action. Complete all items that apply for both the initial filing and material change report. Refer to the implementing guidance published by the Office of Management and Budget for additional information.

1. Identify the type of covered Federal action for which lobbying activity is and/or has been secured to influence the outcome of a covered Federal action.
2. Identify the status of the covered Federal action.
3. Identify the appropriate classification of this report. If this is a followup report caused by a material change to the information previously reported, enter the year and quarter in which the change occurred. Enter the date of the last previously submitted report by this reporting entity for this covered Federal action.
4. Enter the full name, address, city, State and zip code of the reporting entity. Include Congressional District, if known. Check the appropriate classification of the reporting entity that designates if it is, or expects to be, a prime or subaward recipient. Instructions for Meeting the General Education Provisions Act (GEPA) Section 427 Requirements

All applicants for new awards **must** include information in their applications to address this new provision in order to receive funding under this program.

Section 427 **requires** each applicant for funds (other than an individual person) to include in its application a description of the steps the applicant proposes to take to ensure equitable access to, and participation in, its Federally-assisted program for students, teachers, and other program beneficiaries with special needs.

This provision allows applicants discretion in developing the required description. The statute highlights six types of barriers that can impede equitable access or participation: gender, race, national origin, color, disability, or age.

A general statement of an applicant's nondiscriminatory hiring policy is **not** sufficient to meet this requirement. Applicants must identify potential barriers and explain steps they will take to overcome these barriers.

Please review the Notice to all Applicants (included in the electronic application package in Grants.gov) for further information on meeting the provisions in the Department of Education's General Education Provisions Act (GEPA).

Applicants are **required** to address this provision by attaching a statement (not to exceed three pages) to the **ED GEPA427 form** that is included in the electronic application package in Grants.gov.

NOTICE TO ALL APPLICANTS

The purpose of this enclosure is to inform you about the following provision in the Department of Education's General Education Provisions Act (GEPA) that applies to applicants for new grant awards under Department programs. This provision is Section 427 of GEPA, enacted as part of the Improving America's Schools Act of 1994 (Public Law (P.L.) 103-382).

To Whom Does This Provision Apply?

Section 427 of GEPA affects applicants for new grant awards under this program. **ALL APPLICANTS FOR NEW AWARDS MUST INCLUDE INFORMATION IN THEIR APPLICATIONS TO ADDRESS THIS NEW PROVISION IN ORDER TO RECEIVE FUNDING UNDER THIS PROGRAM.**

(If this program is a State-formula grant program, a State needs to provide this description only for projects or activities that it carries out with funds reserved for State-level uses. In addition, local school districts or other eligible applicants that apply to the State for funding need to provide this description in their applications to the State for funding. The State would be responsible for ensuring that the school district or other local entity has submitted a sufficient section 427 statement as described below.)

What Does This Provision Require?

Section 427 requires each applicant for funds (other than an individual person) to include in its application a description of the steps the applicant proposes to take to ensure equitable access to, and participation in, its Federally-assisted program for students, teachers, and other program beneficiaries with special needs. This provision allows applicants discretion in developing the required description. The statute highlights six types of barriers that can impede equitable access or participation: gender, race, national origin, color, disability, or age. Based on local circumstances, you should determine whether these or other barriers may prevent your students, teachers, etc. from such access or participation in, the Federally-funded project or activity. The description in your application of steps to be taken to overcome these barriers need not be lengthy; you may provide a clear and succinct description of how you plan to address those barriers that are applicable to your circumstances. In addition, the information may be provided in a single narrative, or, if appropriate, may be discussed in connection with related topics in the application.

Section 427 is not intended to duplicate the requirements of civil rights statutes, but rather to ensure that, in designing their projects, applicants for Federal funds address equity concerns that may affect the ability of certain potential beneficiaries to fully participate in the project and to achieve to high standards. Consistent with program requirements and its approved application, an applicant may use the Federal funds awarded to it to eliminate barriers it identifies.

What are Examples of How an Applicant Might Satisfy the Requirement of This Provision?

The following examples may help illustrate how an applicant may comply with Section 427.

- 1) An applicant that proposes to carry out an adult literacy project serving, among others, adults with limited English proficiency, might describe in its application how it intends to distribute a brochure about the proposed project to such potential participants in their native language.
- 2) An applicant that proposes to develop instructional materials for classroom use might describe how it will make the materials available on audio tape or in braille for students who are blind.
- 3) An applicant that proposes to carry out a model science program for secondary students and is concerned that girls may be less likely than boys to enroll in the course, might indicate how it intends to conduct "outreach" efforts to girls, to encourage their enrollment.
- 4) An applicant that proposes a project to increase school safety might describe the special efforts it will take to address concern of lesbian, gay, bisexual, and transgender students, and efforts to reach out to and involve the families of LGBT students

We recognize that many applicants may already be implementing effective steps to ensure equity of access and participation in their grant programs, and we appreciate your cooperation in responding to the requirements of this provision.

Estimated Burden Statement for GEPA Requirements

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless such collection displays a valid OMB control number. Public reporting burden for this collection of information is estimated to average 1.5 hours per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. The obligation to respond to this collection is required to obtain or retain benefit (Public Law 103-382. Send comments regarding the burden estimate or any other

aspect of this collection of information, including suggestions for reducing this burden, to the U.S. Department of Education, 400 Maryland Ave., SW, Washington, DC 20210-4537 or email ICDocketMgr@ed.gov and reference the OMB Control Number 1894-0005.

Part 8: Intergovernmental Review of Federal Programs (Executive Order 12372)

This program falls under the rubric of Executive Order 12372 (Intergovernmental Review of Federal Programs) and the regulations in 34 CFR Part 79. One of the objectives of the Executive order is to strengthen federalism--or the distribution of responsibility between localities, States, and the Federal government--by fostering intergovernmental partnerships. This idea includes supporting processes that State or local governments have devised for coordinating and reviewing proposed Federal financial grant applications.

The process for doing this requires grant applicants to contact State Single Points of Contact for information on how this works. Multi-state applicants should follow procedures specific to each state.

Further information about the State Single Point of Contact process and a list of names by State can be found at: <https://www.whitehouse.gov/wp-content/uploads/2019/02/SPOC-February-2019.pdf>

Absent specific State review programs, applicants may submit comments directly to the Department. All recommendations and comments must be mailed or hand-delivered by the date indicated in the actual application notice to the following address: The Secretary, EO 12372--CFDA# [commenter must insert number--including suffix letter, if any], U.S. Department of Education, room 7E200. 400 Maryland Avenue, SW., Washington, DC 20202.

Proof of mailing will be determined on the same basis as applications (see 34 CFR §75.102). Recommendations or comments may be hand-delivered until 4:30 p.m. (Eastern Time) on the closing date indicated in this notice.

Important note: The above address is not the same address as the one to which the applicant submits its completed applications. **Do not send applications to the above address.**

Reporting and Accountability

Successful applicants with multi-year grants must submit an APR demonstrating their progress in meeting approved project objectives. Grantees must also provide the most current financial and performance measure data for each year of the project. Grantees are required to submit the HEP APR Form, which is generally due in November for the most recently ending budget period. A copy of the performance report instructions for the 2018-19 performance period is available at: <https://www2.ed.gov/performance-report-and-evaluation-high-school-equivalency-program/index.html>.

At the end of the project period, applicants will also be required to submit a **final performance report**.

Under the Government Performance and Results Act (GPRA), the following two performance indicators have been established to evaluate the overall effectiveness of the HEP. Grantees are required to report on the following GPRA performance measures:

1. The percentage of HEP program participants receiving a HSED.
2. The percentage of HEP HSED recipients who enter postsecondary education or training programs, upgraded employment, or the military.

With regard to the GPRA measures, grantees are required to report specific performance data on the APR, including:

- the number of HEP participants the project was funded to serve each year of the grant;
- the number of HEP participants that completed the HSED for each year of the grant (GPRA 1); and,
- the number of HSED recipients that entered postsecondary education or training programs, upgraded employment or the military (GPRA 2).

Grantees are required to report additional project performance data, as described in the APR package. Specific instructions for requirements on grantee reporting, as well as information on how the percentages for GPRA measures will be computed, are also included in the APR form. In addition to the specific data elements that are required for reporting on the APR form, grantees are required to report on any other project-specific objectives that are stated in their application.

Grantees will be held accountable for meeting the national targets for the HEP GPRA measures. While the exact GPRA targets for all five years of the grant have not been set (since some of the targets for subsequent years will be determined after additional baseline data is collected on the APR), the following are the national targets for FY 2020 (July 1, 2020 to June 30, 2021 budget period):

- For GPRA measure 1, the target is 69 percent for FY 2020.
- For GPRA measure 2, the target is 80 percent for FY 2020.

The program office will use project performance data reported in the APR in making determinations for continuation awards.

SUPPLEMENTARY INFORMATION:

Full Text of Announcement

I. Funding Opportunity Description

Purpose of Program: The HEP is designed to assist migratory or seasonal farmworkers (or immediate family members of such workers) to obtain the equivalent of a secondary school diploma and subsequently to gain improved employment, enter into military service, or be placed in an institution of higher education (IHE) or other postsecondary education or training.

Priorities: This competition includes two competitive preference priorities and one invitational priority. Competitive Preference Priority 1 is from the Secretary's Final Supplemental Priorities and Definitions for Discretionary Grant Programs (Supplemental Priorities) published in the **Federal Register** on March 2, 2018 ([83 FR 9096](#)). In accordance with [34 CFR 75.105\(b\)\(2\)\(iv\)](#), Competitive Preference Priority 2 is from section 418A(e) of the Higher Education Act of 1965, as amended (HEA) ([20 U.S.C. 1070d-2\(e\)](#)). The purpose of the program aligns with priority 9(c) of the Supplemental Priorities, which promotes projects aimed at creating or supporting alternative paths to a regular high school diploma (as defined in section 8101(43) of the Elementary and Secondary Education Act of 1965, as amended) or recognized postsecondary credentials (as defined in section 3(52) of the Workforce Innovation and Opportunity Act) for students whose environments outside of school, disengagement with a traditional curriculum, homelessness, or other challenges make it more difficult for them to complete an educational program.

Competitive Preference Priorities: For FY 2020 and any subsequent year in which we make awards from the list of unfunded applications from this competition, these priorities are competitive preference priorities. Under [34 CFR 75.105\(c\)\(2\)\(i\)](#) we award up to an additional 5 points to an application for Competitive Preference Priority 1 and up to an additional 15 points to an application for Competitive Preference Priority 2, depending on how well the application meets these priorities.

These priorities are:

Competitive Preference Priority 1—Fostering Flexible and Affordable Paths to Obtaining Knowledge and Skills. (Up to 5 points)

Projects that are designed to address improving collaboration between education providers and employers to ensure student learning objectives are aligned with the skills or knowledge required for employment in in-demand industry sectors or occupations (as defined in section 3(23) of the Workforce Innovation and Opportunity Act of 2014).^{[1](#)}

Note: Competitive Preference Priority 1 must be addressed under selection criterion (b) “Quality of the project design.”

Competitive Preference Priority 2—Consideration of Prior Experience. (Up to 15 points)

Projects that are expiring (current HEP grantees in their final budget period) will be considered for additional points under Competitive Preference Priority 2. In accordance with section 418A(e) of the HEA, the Department will award up to 15 points for this priority. The Secretary will consider the applicant's prior experience in implementing its expiring HEP project, based on performance information to include, but not limited to, the percentage of HEP participants exiting the program having received a High School Equivalency (HSE) diploma and the percentage of HSE diploma recipients who enter postsecondary education or training programs, upgraded employment, or the military.

Note: Competitive Preference Priority 2 applies to expiring projects (current HEP grantees in their final budget period) that received their current HEP award in FY 2015.

Invitational Priority: For FY 2020 and any subsequent year in which we make awards from the list of unfunded applications from this competition, this priority is an invitational priority. Under [34 CFR 75.105\(c\)\(1\)](#) we do not give an application that meets this invitational priority a competitive or absolute preference over other applications.

This priority is:

Projects proposed by “novice applicants.” For the purposes of this priority, a novice applicant is any applicant that has never received a grant or subgrant under HEP.

Program Authority: [20 U.S.C. 1070d-2](#).

Applicable Regulations: (a) The Education Department General Administrative Regulations in [34 CFR parts 75, 77, 79, 81, 82, 84, 86, 97, 98, and 99](#). (b) The Office of Management and Budget (OMB) Guidelines to Agencies on Governmentwide Debarment and Suspension (Nonprocurement) in [2 CFR part 180](#), as adopted and amended as regulations of the Department in [2 CFR part 3485](#). (c) The Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards in [2 CFR part 200](#), as adopted and amended as regulations of the Department in [2 CFR part 3474](#). (d) The regulations for this program in [34 CFR part 206](#). (e) The Migrant Education Program (MEP) definitions in [34 CFR 200.81](#). (f) The National Farmworker Jobs Program (NFJP) definitions in [20 CFR 685.110](#) and eligibility regulations in [20 CFR 685.320](#). (g) The Supplemental Priorities.

Note: The regulations in [34 CFR part 86](#) apply to IHEs only.

Note: The MEP definitions and NFJP definitions and eligibility regulations apply to individuals seeking to qualify for HEP based on past participation in the MEP or NFJP.

II. Award Information

Type of Award: Discretionary grants.

Estimated Available Funds: \$5,700,000.

Contingent upon the availability of funds and the quality of applications, we may make additional awards in subsequent years from the list of unfunded applications from this competition.

Estimated Range of Awards: \$180,000-\$475,000.

Estimated Average Size of Awards: \$475,000.

Maximum Award: We will not make an award exceeding \$475,000 for a single budget period of 12 months. Under [34 CFR 75.104\(b\)](#) the Secretary may reject without consideration or evaluation any application that proposes a project funding level that exceeds the stated maximum award amount.

Minimum Award: The Department will not make an award for less than the amount of \$180,000 for a single budget period of 12 months. Under section 418A of the HEA, the Secretary is prohibited from making an award for less than the stated award amount. Therefore, we will reject any application that proposes a HEP award that is less than the stated minimum award amount.

Estimated Number of Awards: 12.

III. Eligibility Information

1. *Eligible Applicants:* An IHE or a private nonprofit organization may apply for a grant to operate a HEP project. If a private nonprofit organization other than an IHE applies for a HEP grant, that agency must plan the project in cooperation with an IHE and must propose to operate some aspects of the project with the facilities of that IHE.

2. *Cost Sharing or Matching:* This competition does not require cost sharing or matching. However, consistent with [34 CFR 75.700](#), which requires an applicant to comply with its approved application, an applicant that proposes non-Federal matching funds and is awarded a grant must provide those funds for each year that the funds are proposed.

3. *Subgrantees:* Under [34 CFR 75.708](#)(b) and (c) a grantee under this competition may award subgrants—to directly carry out project activities described in its application—to the following types of entities: IHEs and nonprofit organizations. The grantee may award subgrants to entities it has identified in an approved application or that it selects through a competition under procedures established by the grantee.

4. *Other:* Projects funded under this competition must budget for a three-day Office of Migrant Education annual meeting for HEP Directors in the Washington, DC area during each year Start Printed Page 65793 of the project period. Such expenses are allowable uses of grant funds and may be included in the proposed project budget.

IV. Application and Submission Information

2. *Submission of Proprietary Information:* Given the types of projects that may be proposed in applications for HEP, your application may include business information that you consider proprietary. In [34 CFR 5.11](#) we define “business information” and describe the process we use in determining whether any of that information is proprietary and, thus, protected from disclosure under Exemption 4 of the Freedom of Information Act ([5 U.S.C. 552](#), as amended).

Because we plan to make successful applications available to the public, you may wish to request confidentiality of business information.

Consistent with Executive Order 12600, please designate in your application any information that you believe is exempt from disclosure under Exemption 4. In the appropriate Appendix section of your application, under "Other Attachments Form," please list the page number or numbers on which we can find this information. For additional information please see [34 CFR 5.11\(c\)](#).

3. *Intergovernmental Review*: This competition is subject to Executive Order 12372 and the regulations in [34 CFR part 79](#). Information about Intergovernmental Review of Federal Programs under Executive Order 12372 is in the application package for this competition.

4. *Funding Restrictions*: We reference regulations outlining funding restrictions in the *Applicable Regulations* section of this notice.

5. *Recommended Page Limit*: The application narrative is where you, the applicant, address the selection criteria that reviewers use to evaluate your application. We recommend that you (1) limit the application narrative to no more than 25 pages and (2) use the following standards:

- Use a font that is either 12 point or larger or no smaller than 10 pitch (characters per inch).
- Use one of the following fonts: Times New Roman, Courier, Courier New, or Arial.

The recommended page limit does not apply to the cover sheet; the budget section, including the narrative budget justification; the assurances and certifications; or the one-page abstract, the resumes, the bibliography, or the letters of support. However, the recommended page limit does apply to all of the application narrative.

The Secretary may also consider whether the applicant failed to submit a timely performance report or submitted a report of unacceptable quality.

In addition, in making a competitive grant award, the Secretary requires various assurances, including those applicable to Federal civil rights laws that prohibit discrimination in programs or activities receiving Federal financial assistance from the Department ([34 CFR 100.4](#), 104.5, 106.4, 108.8, and 110.23).

Additional factors we consider in selecting an application for an award are in section 418A of the HEA. Additionally, the Secretary will consider the need to provide an equitable geographic distribution of HEP awards.

3. Risk Assessment and Specific Conditions: Consistent with [2 CFR 200.205](#), before awarding grants under this competition the Department conducts a review of the risks posed by applicants. conditions on a grant if the applicant or grantee is not financially stable; has a history of unsatisfactory performance; has a financial or other management system that does not meet the standards in [2 CFR part 200](#), subpart D; has not fulfilled the conditions of a prior grant; or is otherwise not responsible.

4. *Integrity and Performance System*: If you are selected under this competition to receive an award that over the course of the project period may exceed the simplified acquisition threshold (currently \$250,000), under [2 CFR 200.205\(a\)\(2\)](#) we must make a judgment about your integrity, business ethics, and record of performance under Federal awards—that is, the risk posed by you as an applicant—before we make an award. In doing so, we must consider any information about you that is in the integrity and performance system (currently referred to as the Federal Awardee Performance and Integrity Information System (FAPIIS)), accessible through the System for Award Management. You may review and comment on any information about yourself that a Federal agency previously entered and that is currently in FAPIIS.

Please note that, if the total value of your currently active grants, cooperative agreements, and procurement contracts from the Federal Government exceeds \$10,000,000, the reporting requirements in [2 CFR part 200](#), Appendix XII, require you to report certain integrity information to FAPIIS semiannually. Please review the requirements in [2 CFR part 200](#), Appendix XII, if this grant plus all the other Federal funds you receive exceed \$10,000,000.

VI. Award Administration Information

1. *Award Notices*: If your application is successful, we notify your U.S. Representative and U.S. Senators and send you a Grant Award Notification (GAN); or we may send you an email containing a link to access an electronic version of your GAN. We may notify you informally, also.

If your application is not evaluated or not selected for funding, we notify you.

2. *Administrative and National Policy Requirements*: We identify administrative and national policy requirements in the application package and reference these and other requirements in the *Applicable Regulations* section of this notice.

We reference the regulations outlining the terms and conditions of an award in the *Applicable Regulations* section of this notice and include these and other specific conditions in the GAN. The GAN also incorporates your approved application as part of your binding commitments under the grant.

3. *Open Licensing Requirements*: Unless an exception applies, if you are awarded a grant under this competition, you will be required to openly license to the public grant deliverables created in whole, or in part, with Department grant funds. When the deliverable consists of modifications to pre-existing works, the license extends only to those modifications that can be separately identified and only to the extent that open licensing is permitted under the terms of any licenses or other legal restrictions on the use of pre-existing works. Additionally, a grantee or subgrantee that is awarded competitive grant funds must have a plan to disseminate these public grant deliverables. This dissemination plan can be developed and submitted after your application has been reviewed and selected for funding. For additional information on the open licensing requirements please refer to [2 CFR 3474.20](#).

4. *Reporting*: (a) If you apply for a grant under this competition, you must ensure that you have in place the necessary processes and systems to comply with the reporting requirements in [2 CFR part](#)

[170](#) should you receive funding under the competition. This does not apply if you have an exception under [2 CFR 170.110\(b\)](#).

(b) At the end of your project period, you must submit a final performance report, including financial information, as directed by the Secretary. If you receive a multiyear award, you must submit an annual performance report that provides the most current performance and financial expenditure information as directed by the Secretary under [34 CFR 75.118](#). The Secretary may also require more frequent performance reports under [34 CFR 75.720\(c\)](#). For specific requirements on reporting, please go to www.ed.gov/fund/grant/apply/appforms/appforms.html.

5. *Performance Measures:* Under the Government Performance and Results Act of 1993 (GPRA), the Department developed the following performance measures to evaluate the overall effectiveness of HEP: (1) The percentage of HEP participants exiting the program Start Printed Page 65795having received a HSE diploma (GPRA 1), and (2) the percentage of HSE diploma recipients who enter postsecondary education or training programs, upgraded employment, or the military (GPRA 2).

Applicants must propose annual targets for these measures in their applications. The national target for GPRA 1 for FY 2020 is that 69 percent of HEP participants exit the program having received an HSE credential. The national target for GPRA 2 for FY 2020 is that 80 percent of HEP HSE diploma recipients will enter postsecondary education or training programs, upgraded employment, or the military. The national targets for subsequent years may be adjusted based on additional baseline data. The peer reviewers will score related selection criteria on the basis of how well an applicant addresses these GPRA measures. Therefore, applicants will want to consider how to demonstrate a sound capacity to provide reliable data on the GPRA measures, including the project's annual performance targets for addressing the GPRA performance measures, as is required by the OMB-approved annual performance report that is included in the application package. All grantees will be required to submit, as part of their annual performance report, information with respect to these GPRA performance measures.

6. *Continuation Awards:* In making a continuation award under [34 CFR 75.253](#), the Secretary considers, among other things: Whether a grantee has made substantial progress in achieving the goals and objectives of the project; whether the grantee has expended funds in a manner that is consistent with its approved application and budget; and, if the Secretary has established performance measurement requirements, the performance targets in the grantee's approved application.

In making a continuation award, the Secretary also considers whether the grantee is operating in compliance with the assurances in its approved application, including those applicable to Federal civil rights laws that prohibit discrimination in programs or activities receiving Federal financial assistance from the Department ([34 CFR 100.4](#), 104.5, 106.4, 108.8, and 110.23).
