The main content area features a large image of people walking, with the title 'How to Apply for Grants: Getting Started'. Below this is a row of six icons with corresponding text: 'Learn' (Go to the Grants Learning Center), 'Check' (Make sure you are eligible before applying), 'Search' (Find federal grants that align with your work), 'Register' (Sign up with Grants.gov to apply using Workspace), 'Apply' (Complete and submit your application using Workspace), and 'Track' (Enter your Grants.gov tracking number(s) for submission status). At the bottom, there is a 'Save Time & Apply Using' section with an icon of a document and a 'Search for Opportunity Package' section with text about searching by Funding Opportunity Number or Opportunity Package ID.

# QUESTION BREAK

59

## *Frequently Asked Question:*

Q: How early should I submit my application?

A: You should start the application as soon as possible. You are required to obtain several credentials before uploading your application to Grants.gov. Obtaining these credentials (DUNS Number, Tax Identification Number, System for Award Management (SAM) certification, etc.) can sometimes take weeks. Begin the submission early in case it is missing something.
