

UNITED STATES DEPARTMENT OF EDUCATION
OFFICE OF ELEMENTARY AND SECONDARY EDUCATION

School Ambassador Fellowship Participation Verification Form

The work of the U.S. Department of Education (ED or Department) has significant impact on schools. The Department's mission includes collecting data on schools, disseminating research, and focusing national attention on key educational issues. As a School Ambassador Fellow, this individual will add a critical school-level perspective and help the Department to more effectively share information about education policy and public resources with the field. Fellows assist the Department in:

- recognizing the importance and impact of educators in schools on instructional leadership, talent management, and community culture;
- improving education programs and policies by strengthening the connection to practical knowledge about school realities to find a better way to recruit, prepare, develop, and retain effective school leaders; and
- highlighting the voice of educators throughout the country.

Participation in the School Ambassador Fellowship is contingent on the partnership between the applicant's local school district and the United States Department of Education, established through an Intergovernmental Personnel Act (IPA) agreement between your organization and the Department.

Please sign below to confirm your organization's awareness and support for _____'s application to become a School Ambassador Fellow for the 2021-2022 academic year.
