

## SCHOOL MENTAL HEALTH INITIATIVE ALIGNMENT MAP

School or district mental health teams are encouraged to complete this template to map all existing initiatives related to student mental health promotion, early intervention and treatment. Teams should appoint one member to lead the completion of this alignment map by reaching out to one member of each identified initiative. Each person who completes a portion of the map should be asked whether all initiatives are represented, as there may not be one person who would know about all pertinent initiatives to map.
