**United States Department of Education**  
OFFICE OF ELEMENTARY AND SECONDARY EDUCATION  
OFFICE OF MIGRANT EDUCATION

Dear Colleague:

Thank you for your interest in the High School Equivalency Program, administered by the Office of Elementary and Secondary Education of the U.S. Department of Education (Department). This document includes information for applicants seeking funding for new grant projects in Fiscal Year 2021 under the High School Equivalency Program (HEP), authorized under Title IV, Section 418A of the Higher Education Act of 1965 as amended by section 408 of the Higher Education Opportunity Act (HEA).

The purpose of HEP is to help migrant and seasonal farmworkers and members of their immediate family: (1) obtain a high school equivalency diploma (HSED) that meets the guidelines for high school equivalency (HSE) established by the State in which the HEP project is conducted, and (2) to gain employment, enter into military service, or be placed in an institution of higher education (IHE) or other postsecondary education or training.

Please take the time to review the applicable priorities, selection criteria, and all the application instructions. An application will not be evaluated for funding if the applicant does not comply with all the procedural rules that govern the submission of the application or the application does not contain the information required under the program ([34 CFR § 75.216\(b\)](#) and (c)).

If you are new to or would like a refresher on applying to a grant at the Department, please review our Common Instructions for Applicants to Department of Education Discretionary Grant Programs, published in the Federal Register on February 13, 2019 (84 FR 3768), and available at [www.govinfo.gov/content/pkg/FR-2019-02-13/pdf/2019-02206.pdf](http://www.govinfo.gov/content/pkg/FR-2019-02-13/pdf/2019-02206.pdf).

To apply for this competition please use the government-wide website, <http://www.grants.gov>. We encourage that early in the process of compiling an application for submission you familiarize yourself with Grants.gov and register or identify who has access to your entity's registration within your entity and become a user or clarify roles for submitting an application using grants.gov. We recommend that you submit early. To submit successfully, you must provide the Data Universal Numbering System (DUNS) number on your application that was used when you, or someone in your entity, registered as an Authorized Organization Representative (AOR) on Grants.gov. This DUNS number is typically the same number used when your organization registered with the **System for Award Management (SAM)** ([www.sam.gov](http://www.sam.gov)). If you do not enter the same DUNS number on your application as the DUNS you registered with, Grants.gov will reject your application.

Please note, the narrative portion of an application must be submitted using either read-only, flattened Portable Document Format (PDF) or a Microsoft Word document. Please see related instructions within this application package.

Using FY 2021 funds, the Department expects to award approximately \$6,580,632 for new

grants under this competition. These awards will be for a performance period of up to five years. Grants are expected to be awarded in June 2021.

Please visit our program website at <https://oese.ed.gov/offices/office-of-migrant-education/high-school-equivalency-program/applicant-information-high-school-equivalency-program/> for further information. The program website includes helpful information, frequently asked questions, dates of future webinars or workshops, and clarifications. If you have any technical questions about the program after reviewing the application package, please contact Steven Carr by telephone at 202-260-2067 or via e-mail at [steven.carr@ed.gov](mailto:steven.carr@ed.gov).

Sincerely,

Lisa C. Gillette  
Director  
Office of Migrant Education

# I. Program Background Information

## Program Overview

The purpose of the High School Equivalency Program (HEP) is to help migrant and seasonal farmworkers and members of their immediate family: (1) obtain the equivalent of a secondary school diploma, and (2) subsequently to gain employment, enter into military service, or be placed in an institution of higher education (IHE) or other postsecondary education or training. These projects may include activities authorized under section 418A of the HEA.

## Application Requirements and Priorities

There are application requirements for this FY 2021 grant competition and any subsequent year in which awards are made from the list of unfunded applications from this competition. Grant competitions may include “Absolute Priorities,” which must be clearly met in order for an application to be considered, and also “Competitive Preference” or “Invitational Priorities,” which are not required to be met but may increase the likelihood of receiving an award.

This competition includes both Competitive and Invitational Priorities but does not include any Absolute Priorities. To read a list of Competitive Preference and Invitational Priorities for this grant competition, please reference the Notice Inviting Applications (NIA) for this competition in the Federal Register.

**Applicant Guide**

Applications are entered into the Grants.gov system; applications submitted via email will not be

accepted. For more information, including how to submit a paper application in cases in which electronic submission is not possible, please read the Common Instructions for Applicants to Department of Education Discretionary Grant Programs, published in the Federal Register on February 13, 2019 (84 FR 3768), and available at [www.govinfo.gov/content/pkg/FR-2019-02-13/pdf/2019-02206.pdf](http://www.govinfo.gov/content/pkg/FR-2019-02-13/pdf/2019-02206.pdf).

A completed application will include a program narrative. The program narrative is the section of the application that directly responds to the selection criteria. The program narrative should follow the order of the selection criteria. Applicants should describe, in detail, activities planned for each of the funding periods of the grant. The program office suggests that applicants limit the program narrative to 25 pages. Narrative attachments must be submitted as files in a read-only, flattened Portable Document Format (PDF) or as a Microsoft Word document. If applicants upload a different file type or submit a password-protected file, we will not review that material.

A minimum of three peer reviewers will evaluate each proposal. Reviewers will be asked to review the applicants' responses to each criterion and score each of their assigned proposals. Not responding to a specific criterion could negatively impact the score.

The NIA for this competition provides the priorities, selection criteria, application requirements, program requirements, applicant eligibility requirements, and definitions.

## **Selection Criteria**

The selection criteria for this competition are from 34 CFR 75. The maximum score for all the selection criteria and the maximum possible score for addressing each selection criterion (indicated in parentheses) is detailed in the NIA for this grant competition. Each criterion also includes the factors that reviewers will consider in determining the extent to which an applicant meets the criterion. The selection criteria for this competition can be found in the NIA for this grant competition.

## **Definitions**

Definitions for this competition can be found in the Notice Inviting Applications for this grant competition. These definitions apply to the FY 2021 grant competition and any subsequent year in which we make awards from the list of unfunded applications from this competition.

## Technical Assistance Webinars for Prospective Applicants

Two technical assistance webinars for prospective applicants are scheduled. The content of the webinars will be repeated, so applicants only need to attend one, if interested. When possible, information from and recordings of the session will be posted on the program website. The dates and times for the webinars are:

- Monday, November 30, 2020 1:30 – 3:30 p.m. Eastern Time
- Tuesday, December 1, 2020 1:30 – 3:30 p.m. Eastern Time (Repeat)

## II. Application Submission Procedures

**The deadline for submission of HEP applications through Grants.gov is 11:59:59 PM Eastern Time on January 22, 2021.**

### Application Transmittal Instructions

As noted in the NIA for this program published in the Federal Register, applicants are required to follow the Common Instructions for Applicants to Department of Education Discretionary Grant Programs, published in the Federal Register on February 13, 2019 (84 FR 3768) and available at <https://www.govinfo.gov/content/pkg/FR-2019-02-13/pdf/2019-02206.pdf>, which contain requirements and information on how to submit an application.

For additional training resources, including video tutorials, refer to <https://www.grants.gov/web/grants/applicants/applicant-training.html>

### Helpful Reminders

- 1) **REGISTER EARLY** – Grants.gov registration involves many steps including registration on SAM ([www.sam.gov](http://www.sam.gov)) which may take approximately one week to complete, but could take upwards of several weeks to complete, depending upon the completeness and accuracy of the data entered into the SAM database by an applicant. You may begin working on your application while completing the registration process, but you cannot submit an application until all of the Registration steps are complete. Please note that once your SAM registration is active, it will take 24-48 hours for the information to be available in Grants.gov, and before you can submit an application through Grants.gov. For detailed information on the Registration Steps, please go to: <http://www.grants.gov/web/grants/register.html> [Note: Your organization will need to update its SAM registration annually.]

Primary information about SAM is available at [www.sam.gov](http://www.sam.gov). However, to further assist you with obtaining and registering your DUNS number and TIN in SAM or updating your existing SAM account the Department of Education has prepared a SAM.gov Tip Sheet which you can find at: <http://www2.ed.gov/fund/grant/apply/sam-faqs.html>.

- 2) **SUBMIT EARLY** – **We strongly recommend that you do not wait until the last day to submit your application. Grants.gov will put a date/time stamp on your application and then process it after it is fully uploaded.** The time it takes to upload an

application will vary depending on a number of factors including the size of the application and the speed of your Internet connection, and the time it takes Grants.gov to process the application will vary as well. If Grants.gov rejects your application (see step three below), you will need to resubmit successfully to Grants.gov before 11:59:59 p.m. Eastern Time on the deadline date.

**Note: To submit successfully, you must provide the DUNS number on your application that was used when you registered as an Authorized Organization Representative (AOR) on Grants.gov. This DUNS number is typically the same number used when your organization registered with the SAM. If you do not enter the same DUNS number on your application as the DUNS you registered with, Grants.gov will reject your application.**

- 3) **VERIFY SUBMISSION IS OK** – You will want to verify that Grants.gov received your application submission on time and that it was validated successfully. To see the date/time your application was received, login to Grants.gov and click on the Track My Application link. For a successful submission, the date/time received should be earlier than 11:59:59 p.m. Eastern Time, on the deadline date, AND the application status should be: Validated, Received by Agency, or Agency Tracking Number Assigned. Once the Department of Education receives your application from Grants.gov, an Agency Tracking Number (PR/award number) will be assigned to your application and will be available for viewing on Grants.gov’s Track My Application link.

If the date/time received is later than 11:59:59 p.m. Eastern Time on the deadline date, your application is late. If your application has a status of “Received” it is still awaiting validation by Grants.gov. Once validation is complete, the status will either change to “Validated” or “Rejected with Errors.” If the status is “Rejected with Errors,” your application has not been received successfully. Some of the reasons Grants.gov may reject an application can be found on the Grants.gov site: <http://www.grants.gov/web/grants/applicants/encountering-error-messages.html>. For more detailed information on troubleshooting Adobe errors, you can review the Adobe Software Tip Sheet at: <http://www.grants.gov/web/grants/applicants/adobe-software-compatibility.html>. If you discover your application is late or has been rejected, please see the instructions below. Note: You will receive a series of confirmations both online and via e-mail about the status of your application. Please do not rely solely on e-mail to confirm whether your application has been received timely and validated successfully.

## **Submission Problems – What should you do?**

If you have problems submitting to Grants.gov before the closing date, please contact Grants.gov Customer Support at 1-800-518-4726 or email at: <mailto:support@grants.gov> or access the Grants.gov Self-Service Knowledge Base web portal at: <https://grants-portal.psc.gov/Welcome.aspx?pt=Grants>.

## Helpful Hints When Working with Grants.gov

Please note, once you download an application from Grants.gov, you will be working offline and saving data on your computer. Please be sure to note where you are saving the Grants.gov file on your computer. You will need to logon to Grants.gov to upload and submit the application. **You must provide the DUNS number on your application that was used when you registered as an Authorized Organization Representative (AOR) on Grants.gov.**

Please go to <http://www.grants.gov/web/grants/support.html> for help with Grants.gov, or access the Grants.gov user guide at:

<https://www.grants.gov/help/html/help/index.htm#t=GetStarted%2FGetStarted.htm>. For additional tips related to submitting grant applications, please refer to the Grants.gov Applicant FAQs found at this Grants.gov link: <http://www.grants.gov/web/grants/applicants/applicant-faqs.html>

### Attaching Files – Additional Tips

Please note the following tips related to attaching files to your application, especially the requirement that applicants **only include read-only, flattened .PDF files** or Microsoft Word documents in their application:

- Ensure that you attach **.PDF files only** or Microsoft Word files for any attachments to your application, and any PDFs must be in a **read-only, flattened format** (meaning any fillable documents must be saved and submitted as non-fillable PDF files). PDF files and Microsoft Word files are the only Education approved file type accepted as detailed in the common instructions. If an applicant submits PDF files, it must submit only individual .PDF files. Specifically, the Department will not accept any attachments that contain files within a file, such as PDF Portfolio files, or an interactive or fillable .PDF file. Any attachments uploaded that are file types other than .PDF files or Microsoft Word files, or are password protected files will not be read.
- Grants.gov cannot process an application that includes two or more files that have the same name within a grant submission. Therefore, each file uploaded to your application package should have a unique file name.
- When attaching files, applicants should follow the guidelines established by Grants.gov on the size and content of file names. Uploaded file names must be fewer than 50 characters, and, in general, applicants should not use any special characters. However, Grants.gov does allow for the following UTF-8 characters when naming your attachments: A-Z, a-z, 0-9, underscore, hyphen, space, period, parenthesis, curly braces, square brackets, ampersand, tilde, exclamation point, comma, semi colon, apostrophe, at sign, number sign, dollar sign, percent sign, plus sign, and equal sign. Applications submitted that do not comply with the Grants.gov guidelines will be rejected at Grants.gov and not forwarded to the Department.

- Applicants should limit the size of their file attachments. Documents submitted that contain graphics and/or scanned material often greatly increase the size of the file attachments and can result in difficulties opening the files. For reference, the average discretionary grant application package with all attachments is less than 5 MB. Therefore, you may want to check the total size of your package before submission.

## **Electronic Application Submission Checklist**

It is recommended that your electronic application be organized in the following manner and include the following parts in order to expedite the review process. **Instructions for U.S. Department of Education  
Supplemental Information for the SF-424**

<https://www.grants.gov/web/grants/forms/sf-424-family.html>

**1. Project Director.** Name, address, telephone and fax numbers, and e-mail address of the person to be contacted on matters involving this application. Items marked with an asterisk (\*) are mandatory.

**2. Novice Applicant.** Check “Yes” if you meet the definition for novice applicants specified in the regulations in 34 CFR 75.225 and included on the attached page entitled “Definitions for U.S. Department of Education Supplemental Information for the SF-424”). By checking “Yes” the applicant certifies that it meets these novice applicant requirements. Check “No” if you do not meet the definition for novice applicants.

This novice applicant information will be used by ED to: 1) determine the amount and type of technical assistance that a novice might need, if funded, and 2) determine novice applicant eligibility in discretionary grant competitions that give special consideration to novice applications. Certain ED discretionary grant programs give special consideration to novice applications, either by establishing a special competition for novice applicants or by giving competitive preference to novice applicants under the procedures in 34 CFR 75.105(c)(2). If special consideration is being given to novice applications under a particular discretionary grant competition, the application notice for the competition published in the Federal Register will specify this information

**3. Human Subjects Research.** (See I. A. “Definitions” in attached page entitled “Definitions for U.S. Department of Education Supplemental Information for the SF-424.”)

**3a. If Not Human Subjects Research.** Check “No” if research activities involving human subjects are not planned at any time during the proposed project period. The remaining parts of Item 3 are then not applicable.

**3a. If Human Subjects Research.** Check “Yes” if research activities involving human subjects are planned at any time during the proposed project period, either at the applicant organization or at any other performance site or collaborating institution. Check “Yes” even if the research is exempt from the regulations for the protection of human subjects. (See I. B. “Exemptions” in attached page entitled “Definitions for U.S. Department of Education Supplemental Information for SF-424.”)

**3b. If Human Subjects Research is Exempt from the Human Subjects Regulations.** Check “Yes” if all the research activities proposed are designated to be exempt from the regulations. Check the exemption number(s) corresponding to one or more of the six exemption categories listed in I. B. “Exemptions.” In addition, follow the instructions in II. A. “Exempt Research Narrative” in the attached page entitled “Definitions for U.S. Department of Education Supplemental Information for the SF-424.”

**3b. If Human Subjects Research is Not Exempt from Human Subjects Regulations.** Check “No” if some or all of the planned research activities are covered (not exempt). In addition, follow the instructions in II. B. “Nonexempt Research Narrative” in the attached page entitled “Definitions for U.S. Department of Education Supplemental Information for the SF-424.”

**3b. Human Subjects Assurance Number.** If the applicant has an approved Federal Wide Assurance (FWA) on file with the Office for Human Research Protections (OHRP), U.S. Department of Health and Human Services, that covers the specific activity, insert the number in the space provided. (A list of current FWAs is available at: <http://ohrp.cit.nih.gov/search/asearch.asp#ASUR>) If the applicant does not have an approved assurance on file with OHRP, enter “None.” In this case, the applicant, by signature on the SF-424, is declaring that it will comply with 34 CFR 97 and proceed to obtain the human subjects’ assurance upon request by the designated ED official. If the application is recommended/selected for funding, the designated ED official will request that the applicant obtain the assurance within 30 days after the specific formal request.

**3c.** If applicable, please attach your “Exempt Research” or “Nonexempt Research” narrative to your submission of the U.S Department of Education Supplemental Information for the SF-424 form as instructed in item II, “Instructions for Exempt and Nonexempt Human Subjects Research Narratives” in the attached page entitled “Definitions for U.S. Department of Education Supplemental Information for the SF-424.”

**Note about Institutional Review Board Approval.** ED does not require certification of Institutional Review Board approval with the application. However, if an application that involves non-exempt human subjects research is recommended/selected for funding, the designated ED official will request that the applicant obtain and send the certification to ED within 30 days after the formal request.

**No covered human subjects research can be conducted until the study has ED clearance for protection of human subjects in research.**

**Paperwork Burden Statement.** According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless such collection displays a valid OMB control number. The valid OMB control number for this information collection is 1894-0007. The time required to complete this information collection is estimated to average between 15 and 45 minutes per response, including the time to review instructions, search existing data resources, gather the data needed and complete and review the information collection. If you have any comments concerning the accuracy of the estimate(s) or suggestions for improving this form, please write to: U.S. Department of Education, Washington, D.C. 20202-0170. If you have comments or concerns regarding the status of your individual submission of this form write directly to: Office of Migrant Education, U.S. Department of Education, 400 Maryland Avenue, S.W., Washington, D.C. 20202.

## Definitions for U.S. Department of Education Supplemental Information for the SF-424

### Definitions:

#### Novice Applicant (See 34 CFR 75.225)

For discretionary grant programs, novice applicant means any applicant for a grant from ED that—

- Has never received a grant or subgrant under the program from which it seeks funding;
- Has never been a member of a group application, submitted in accordance with 34 CFR 75.127-75.129, that received a grant under the program from which it seeks funding; and
- Has not had an active discretionary grant from the Federal government in the five years before the deadline date for applications under the program. For the purposes of this requirement, a grant is active until the end of the grant's project or funding period, including any extensions of those periods that extend the grantee's authority to obligate funds.

In the case of a group application submitted in accordance with 34 CFR 75.127-75.129, a group includes only parties that meet the requirements listed above.

### PROTECTION OF HUMAN SUBJECTS IN RESEARCH

#### I. Definitions and Exemptions

##### A. Definitions.

A research activity involves human subjects if the activity is research, as defined in the Department's regulations, and the research activity will involve use of human subjects, as defined in the regulations.

##### —Research

The ED Regulations for the Protection of Human Subjects, Title 34, Code of Federal Regulations, Part 97, define research as “a systematic investigation, including research development, testing and evaluation, designed to develop or contribute to generalizable knowledge. Activities which meet this definition constitute research whether or not they are conducted or supported under a program that is considered research for other purposes. For example, some demonstration and service programs may include research activities.

##### —Human Subject

The regulations define human subject as “a living individual about whom an investigator (whether professional or student) conducting research obtains (1) data through intervention or interaction with the individual, or (2) identifiable private information.” (1) If an activity involves obtaining information about a living person by manipulating that person or that person's environment, as might occur when a new instructional technique is tested, or by communicating or interacting with the individual, as occurs with surveys and interviews, the definition of human subject is met. (2) If an activity involves obtaining private information about a living person in such a way that the information can be **directly or indirectly** linked to that individual, the definition of human subject is met [Private information includes information about behavior that occurs in a context in which an individual can reasonably expect that no observation or recording is taking place, and information which has been provided for specific purposes by an individual and which the individual can reasonably expect will not be made public (for example, a school health record).]

##### B. Exemptions.

Research activities in which the **only** involvement of human subjects will be in one or more of the following six categories of **exemptions** are not covered by the regulations:

(1) Research conducted in established or commonly accepted educational settings, involving normal educational practices, such as (a) research on regular and special education instructional strategies, or (b) research on the effectiveness of or the comparison among instructional techniques, curricula, or classroom management methods. **If an educational practice is being introduced to the site and is not widely used for similar populations, it is not covered by this exemption.**

(2) Research involving the use of educational tests (cognitive, diagnostic, aptitude, achievement), survey procedures, interview procedures or observation of public behavior, unless: (a) information obtained is recorded in such a manner that human subjects can be identified, directly or through identifiers linked to the subjects; and (b) any disclosure of the human subjects' responses outside the research could reasonably place the subjects at risk of criminal or civil liability or be damaging to the subjects' financial standing, employability, or reputation. **If the subjects are children, exemption 2 applies only to research involving educational tests and observations of public behavior when the investigator(s) do not participate in the activities being observed.**

**Exemption 2 does not apply if children are surveyed or interviewed or if the research involves observation of public behavior and the investigator(s) participate in the activities being observed.** [Children are defined as persons who have not attained the legal age for consent to treatments or procedures

involved in the research, under the applicable law or jurisdiction in which the research will be conducted.]

(3) Research involving the use of educational tests (cognitive, diagnostic, aptitude, achievement), survey procedures, interview procedures or observation of public behavior that is not exempt under section (2) above, if the human subjects are elected or appointed public officials or candidates for public office; or federal statute(s) require(s) without exception that the confidentiality of the personally identifiable information will be maintained throughout the research and thereafter.

(4) Research involving the collection or study of existing data, documents, records, pathological specimens, or diagnostic specimens, if these sources are publicly available or if the information is recorded by the investigator in a manner that subjects cannot be identified, directly or through identifiers linked to the subjects. **[This exemption applies only to retrospective studies using data collected before the initiation of the research.]**

(5) Research and demonstration projects which are conducted by or subject to the approval of department or agency heads, and which are designed to study, evaluate, or otherwise examine: (a) public benefit or service programs; (b) procedures for obtaining benefits or services under those programs; (c) possible changes in or alternatives to those programs or procedures; or (d) possible changes in methods or levels of payment for benefits or services under those programs. **[The standards of this exemption are rarely met because it was designed to apply only to specific research conducted by HHS at the time the regulations were established. We will strictly construe this exemption because it was not intended to apply to ED research.]**

(6) Taste and food quality evaluation and consumer acceptance studies, (a) if wholesome foods without additives are consumed or (b) if a food is consumed that contains a food ingredient at or below the level and for a use found to be safe, or agricultural chemical or environmental contaminant at or below the level found to be safe, by the Food and Drug Administration or approved by the Environmental Protection Agency or the Food Safety and Inspection Service of the U.S. Department of Agriculture.

## II. Instructions for Exempt and Nonexempt Human Subjects Research Narratives

If the applicant marked “Yes” for Item 3.b. of the U.S. Department of Education Supplemental Information for the SF-424, the applicant must attach a human subjects “exempt research” or “nonexempt research” narrative to the U.S. Department of Education Supplemental Information for the SF-424 form. If you have multiple projects and need to provide more than one narrative, be sure to label each set of responses as to the project they address.

### A. Exempt Research Narrative.

If you marked “Yes” for item 3.b. and designated exemption numbers(s), attach the “exempt research” narrative to the U.S. Department of Education Supplemental Information for the SF-424. The narrative must contain sufficient information about the involvement of human subjects in the proposed research to allow a determination by ED that the designated exemption(s) are appropriate. The narrative must be succinct.

### B. Nonexempt Research Narrative.

If you marked “No” for item 3.b. you must attach the “nonexempt research” narrative to the U.S. Department of Education Supplemental Information for the SF-424. The narrative must address the following seven points. Although no specific page limitation applies to this section of the application, be succinct.

#### (1) Human Subjects Involvement and Characteristics:

Provide a detailed description of the proposed involvement of human subjects. Describe the characteristics of the subject population, including their anticipated number, age range, and health status. Identify the criteria for inclusion or exclusion of any subpopulation. Explain the rationale for the involvement of special classes of subjects, such as children, children with disabilities, adults with disabilities, persons with mental disabilities, pregnant women, prisoners, institutionalized individuals, or others who are likely to be vulnerable

(2) **Sources of Materials:** Identify the sources of research material obtained from individually identifiable living human subjects in the form of specimens, records, or data. Indicate whether the material or data will be obtained specifically for research purposes or whether use will be made of existing specimens, records, or data.

(3) **Recruitment and Informed Consent:** Describe plans for the recruitment of subjects and the consent procedures to be followed. Include the circumstances under which consent will be sought and obtained, who will seek it, the nature of the information to be provided to prospective subjects, and the method of documenting consent. State if the Institutional Review Board (IRB) has authorized a modification or waiver of the elements of consent or the requirement for documentation of consent.

(4) **Potential Risks:** Describe potential risks (physical, psychological, social, legal, or other) and assess their likelihood and seriousness. Where appropriate, describe alternative treatments and procedures that might be advantageous to the subjects.

(5) **Protection Against Risk:** Describe the procedures for protecting against or minimizing potential risks, including risks to confidentiality, and assess their likely effectiveness. Where appropriate, discuss provisions for ensuring necessary medical or professional intervention in the event of adverse effects to the subjects. Also, where appropriate, describe the provisions for

monitoring the data collected to ensure the safety of the subjects.

**(6) Importance of the Knowledge to be Gained:** Discuss the importance of the knowledge gained or to be gained as a result of the proposed research. Discuss why the risks to subjects are reasonable in relation to the anticipated benefits to subjects and in relation to the importance of the knowledge that may reasonably be expected to result.

**(7) Collaborating Site(s):** If research involving human subjects will take place at collaborating site(s) or other performance site(s), name the sites and briefly describe their involvement or role in the research.

**Copies of the Department of Education's Regulations for the Protection of Human Subjects, 34 CFR Part 97 and other pertinent materials on the protection of human subjects in research are available from the Office of Finance and Operations, U.S. Department of Education, Washington, D.C. 20202-4331, telephone: (202) 245-8090, and on the U.S. Department of Education's Protection of Human Subjects in Research Web Site:**

NOTE: The **State Applicant Identifier** on the SF-424 is for State Use only. Please complete it on the SF-424 in the upper right corner of the form (if applicable).

## Part 2: Budget Information

### ED Budget Information Non-Construction Programs (ED Form 524, Sections A and B)

This part of your application contains information about the Federal funding you are requesting. Remember that you must provide all requested budget information for each year of the project and the total column in order to be considered for Federal funding. Specific instructions for completing the budget forms are provided within this application package.

Instructions for completing ED Form 524 Section A:

Name of Institution/Organization: Enter the name of the applicant in the space provided.

Personnel (line 1): Enter project personnel salaries and wages only. Include fees and expenses for consultants on line 6.

Fringe Benefits (line 2): The institution's normal fringe benefits contribution may be charged to the program. Leave this line blank if fringe benefits applicable to direct salaries and wages are treated as part of the indirect cost.

Travel (line 3): Indicate the travel costs of employees and participants only. Include travel of persons such as consultants on line 6.

Equipment (line 4): Indicate the cost of tangible, non-expendable personal property that has a usefulness greater than one year and acquisition costs that are the lesser of the capitalization level established by the applicant entity for financial statement purposes or \$5,000 per article. Lower limits may be established to maintain consistency with the applicant's policy.

Supplies (line 5): Show all tangible, expendable personal property. Direct supplies and materials differ from equipment in that they are consumable, expendable, and of a relatively low unit cost. Supplies purchased with grant funds should directly benefit the grant project and be necessary for achieving the goals of the project.

Contractual (line 6): The contractual category should include all costs specifically incurred with actions that the applicant takes in conjunction with an established internal procurement system. Include consultant fees, expenses, and travel costs in this category if the consultant's services are obtained through a written binding agreement or contract.

Construction (line 7): Not applicable.

Other (line 8): Indicate all direct costs not covered on lines 1-6. For example, include costs such as space rental, required fees, honoraria and travel (where a contract is not in place for services), training, and communication and printing costs. Do not include costs that are included in the indirect cost rate.

Total Direct Costs (line 9): The sum of lines 1-8.

Indirect Costs (line 10): Indicate the approved indirect cost rate, per sections 75.560 – 75.564 of EDGAR. If an applicant does not have an approved indirect cost rate agreement with a cognizant Federal agency, the applicant must apply to the Department for a temporary indirect cost rate if it wishes to charge indirect costs to the grant. For more information, go to the Department's website at: <https://www2.ed.gov/about/offices/list/ocfo/fipao/abouticg.html>

Training Stipends (line 11): Indicate the total of all training stipends for each year of the project. Refer to Part 5 Budget Narrative program-specific instructions, Number 11 Training Stipends for more information.

Total Cost (line 12): This should equal to sum of lines 9-11 (total direct costs + indirect + stipends). The sum for column one, labeled Project Year 1 (a), should also be equal to item 15a on the application cover sheet (SF Form 424).

**You must consult with your Business Office prior to submitting this form.**

## **Section A - Budget Summary** **U.S. Department of Education Funds**

All applicants must complete Section A and provide a break-down by the applicable budget categories shown in lines 1-11.

Lines 1-11, columns (a)-(e): For each project year for which funding is requested, show the total amount requested for each applicable budget category.

Lines 1-11, column (f): Show the multi-year total for each budget category. If funding is requested for only one project year, leave this column blank.

Line 13, columns (a)-(e): Show the total budget request for each project year for which funding is requested.

Line 13, column (f): Show the total amount requested for all project years. If funding is requested for only one year, leave this space blank.

**Indirect Cost Information:** If you are requesting reimbursement for indirect costs on line 10 the indirect cost rate to be charged to the grant must be entered in the applicable field on line 10, and the following information is to be completed by your Business Office.

(1): Indicate whether or not your organization has an Indirect Cost Rate Agreement that was approved by the Federal government. If you checked "no," ED generally will authorize grantees to use a temporary rate of 10 percent of budgeted salaries and wages (**complete (4) of this section when using the temporary rate**) subject to the following limitations:

(a) The grantee must submit an indirect cost proposal to its cognizant agency within 90 days after ED issues a grant award notification; and

(b) If after the 90-day period, the grantee has not submitted an indirect cost proposal to its cognizant agency, the grantee may not charge its grant for indirect costs until it has negotiated an indirect cost rate agreement with its cognizant agency.

(2): If you checked "yes" in (1), provide a copy of your Indirect Cost Rate Agreement and indicate in (2) the beginning and ending dates covered by the Indirect Cost Rate Agreement. In addition, indicate whether ED, another Federal agency (Other) or State agency issued the

approved agreement. If you check "Other," specify the name of the Federal or other agency that issued the approved agreement.

(3): If you check "no" in (1), indicate in (3) if you want to use the de minimis rate of 10 percent of MTDC (see 2CFR § 200.68). If you use the de minimis rate, you are subject to the provisions in 2 CFR § 200.414(f). Note, you may only use the 10 percent de minimis rate if you are a first-time Federal grant recipient, and you do not have an Approved Indirect Cost Rate Agreement. You may not use the de minimis rate if you are a State, Local government, or Indian Tribe, or if your grant is funded under a training rate or restricted rate program.

(5): If you are applying for a grant under a Restricted Rate Program (34 CFR 75.563 or 76.563), indicate whether you are using a restricted indirect cost rate that is included on your approved Indirect Cost Rate Agreement, or whether you are using a restricted indirect cost rate that complies with 34 CFR 76.564(c)(2). Note: State or Local government agencies may not use the provision for a restricted indirect cost rate specified in 34 CFR 76.564(c)(2). Check only one response. Leave blank, if this item is not applicable.

(6): For Training Rate Programs, ED regulations limit **non-governmental entities** to the recovery of indirect costs on training grants to the grantee's actual indirect costs, as determined by its negotiated rate agreement, or 8 percent of a MTDC, whichever is lower (see EDGAR § 75.562(c)(4)). The 8 percent limit also applies to cost-type contracts under grants, if these contracts are for training as defined in EDGAR § 75.562(a). If a **non-governmental entity** that receives a grant under a training grant program does not have an approved indirect cost rate and wants to recover indirect costs, it may use a temporary rate of 10 percent of budgeted direct salaries and wages, but it must submit an indirect cost rate proposal to its cognizant agency for indirect costs within 90 days after ED issues the GAN. After the 90-day period, the government entity may not charge its grant for indirect costs until it has negotiated an indirect cost rate agreement.

## **Section B - Budget Summary** **Non-Federal Funds**

If you are required to provide or volunteer to provide cost-sharing or matching funds or other non-Federal resources to the project, these should be shown for each applicable budget category on lines 1-11 of Section B.

Lines 1-11, columns (a)-(e): For each project year, for which matching funds or other contributions are provided, show the total contribution for each applicable budget category.

Lines 1-11, column (f): Show the multi-year total for each budget category. If non-Federal contributions are provided for only one year, leave this column blank.

Line 12, columns (a)-(e): Show the total matching or other contribution for each project year.

Line 12, column (f): Show the total amount to be contributed for all years of the multi-year project. If non-Federal contributions are provided for only one year, leave this space blank.

## **Section C - Budget Narrative [Attach separate sheet(s)]** **Pay attention to applicable program specific instructions, if attached.**

1. Provide an itemized budget breakdown, and justification by project year, for each budget category listed in Sections A and B. For grant projects that will be divided into two or more separately budgeted major activities or sub-projects, show for each budget category of a project year the breakdown of the specific expenses attributable to each sub-project or activity.

2. For non-Federal funds or resources listed in Section B that are used to meet a cost-sharing or matching requirement or provided as a voluntary cost-sharing or matching commitment, you must include:

- The specific costs or contributions by budget category;
- The source of the costs or contributions; and
- In the case of third-party in-kind contributions, a description of how the value was determined for the donated or contributed goods or services.

[Please review cost sharing and matching regulations found in 2 CFR 200.306.]

3. If applicable to this program, provide the rate and base on which fringe benefits are calculated.

4. If you are requesting reimbursement for indirect costs on line 10, this information is to be completed by your Business Office. Specify the estimated amount of the base to which the indirect cost rate is applied and the total indirect expense. Depending on the grant program to which you are applying and/or your approved Indirect Cost Rate Agreement, some direct cost budget categories in your grant application budget may not be included in the base and multiplied by your indirect cost rate. For example, you must multiply the indirect cost rates of "Training grants" (34 CFR 75.562) and grants under programs with "Supplement not Supplant" requirements ("Restricted Rate" programs) by a "modified total direct cost" (MTDC) base (34 CFR 75.563 or 76.563). Please indicate which costs are included and which costs are excluded from the base to which the indirect cost rate is applied.

When calculating indirect costs (line 10) for "Training grants" or grants under "Restricted Rate" programs, you must refer to the information and examples on ED's website at: <http://www.ed.gov/fund/grant/apply/appforms/appforms.html>.

You may also contact (202) 377-3838 for additional information regarding calculating indirect cost rates or general indirect cost rate information.

5. Provide other explanations or comments you deem necessary.

**If Applicable Section D - Budget Summary**  
**Limitation on Administrative Expenses.**

If your program is subject to an administrative cost cap (as indicated Section III.2.C of the program's Notice Inviting Applications (NIA)), fill out this form as follows:

1. On the top of the page, list the percentage cap on administrative costs, and indicate whether your administrative cost cap applies to both indirect and direct costs, or only direct costs (from Section III.2.C of the program's NIA).
2. IF the cost cap applies to both indirect and direct costs:
  - (a) Fill out the entire table noting your administrative costs, including line 8. Line 8 is taken from Section A, line 10. For lines 1-6, these are only direct administrative costs; do not include in lines 1-6 any costs included in your indirect cost rate. If your program has a matching requirement (see NIA), include in lines 1-6 the administrative portions of the applicable rows

from both Section A and Section B. If there is no program matching requirement, only use Section A.

- (b) Ensure that the line 10 percentage DOES NOT EXCEED the percentage cap on administrative costs. If your program does not have a matching requirement, divide line 9 by Section A line 12. If your program does have a matching requirement, to calculate line 10, divide line 9 by the sum of Section A line 12 and Section B line 12.
  3. IF the cost cap applies ONLY to direct costs:
    - (a) Fill out the entire table noting your administrative costs, EXCLUDING line 8.
- Ensure that the line 10 percentage DOES NOT EXCEED the percentage cap on administrative costs. If your program does not have a matching requirement, divide line 7 by Section A line 9. If your program does have a matching requirement, to calculate line 10, divide line 7 by the sum of Section A line 9 and Section B line 9).

**Paperwork Burden Statement**

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless such collection displays a valid OMB control number. The valid OMB control number for this information collection is **1894-0008**. The time required to complete this information collection is estimated to vary from 13 to 22 hours per response, with an average of 17.5 hours per response, including the time to review instructions, search existing data sources, gather the data needed, and complete and review the information collection. If you have any comments concerning the accuracy of the time estimate(s) or suggestions for improving this form, please write to U.S. Department of Education, Washington, D.C. 20202-4537. ### **Application Narrative**

The application narrative responds to the selection criteria found in this application package and should follow the order of the selection criteria.

We encourage applicants to limit this section of the application to the equivalent of no more than 25 pages and adhere to the following guidelines:

- A “page” is 8.5" x 11", on one side only, with 1" margins at the top, bottom, and both sides.
- Double space (no more than three lines per vertical inch) all text in the application narrative, including titles, headings, footnotes, quotations, references, and captions, as well as all text in charts, tables, figures, and graphs.
- Use a font that is either 12 point or larger or no smaller than 10 pitch (characters per inch).
- Use one of the following fonts: Times New Roman, Courier, Courier New, or Arial.

The recommended page limit does not apply to the cover sheet; the budget section, including the narrative budget justification; the assurances and certifications; or the abstract, the resumes, the bibliography, or the letters of support. However, the recommended page limit does apply to all of the application narrative.

### **Selection Criteria for Program Narrative**

The selection criteria for this competition are from 34 CFR 75.210. Each criterion includes the factors that reviewers will consider in determining the extent to which an applicant meets the criterion. The selection criteria for this competition can be found in the NIA for this grant competition.

## Part 5: Budget Narrative

This section should be attached as a **single** document to the Budget Narrative Attachment Form in accordance with the instructions found on [Grants.gov](https://www.grants.gov). It should be organized in the following manner and include the following parts in order to expedite the review process.

Ensure that you only attach the ED-approved file types detailed in the Common Instructions for Applicants to Department of Education Discretionary Grant Programs, published in the Federal Register on February 13, 2019 (84 FR 3768), and available at [www.govinfo.gov/content/pkg/FR-2019-02-13/pdf/2019-02206.pdf](https://www.govinfo.gov/content/pkg/FR-2019-02-13/pdf/2019-02206.pdf). Also, do not upload any password-protected files to your application.

When attaching files, applicants should limit the size of their file names. Lengthy file names could result in difficulties with opening and processing your application. We recommend your file names be less than 50 characters.

Each application must also provide a Budget Narrative (which serves to meet the requirements of ED Form 524, Section C) for requested Federal funds. The Budget Narrative for requested Federal funds should provide a justification of how the money requested for each budget item will be spent.

This section requires an **itemized budget breakdown** for each project year and the **basis for estimating the costs** of personnel salaries, benefits, project staff travel, materials and supplies, consultants and subcontracts, indirect costs and any other projected expenditures. Be sure to complete an itemized budget breakdown and narrative for each year of the proposed project.

The Budget Narrative provides an opportunity for the applicant to identify the nature and amount of the proposed expenditures. The applicant should provide sufficient detail to enable reviewers and project staff to understand how requested funds will be used, how much will be expended, and the relationship between the requested funds and project activities and outcomes.

In accordance with [34 CFR 75.232](https://www.ecfr.gov), Department staff perform a cost analysis of each recommended project to ensure that costs relate to the activities and objectives of the project, are reasonable, allowable and allocable. We may delete or reduce costs from the budget during this review.

### Important Notes

Applicants are encouraged to review the Electronic Code of Federal Regulations Uniform Guidance, Cost Principles in preparing their budget and budget narrative.

The Uniform Guidance may be found at the following link:  
[https://www.ecfr.gov/cgi-bin/text-idx?tpl=/ecfrbrowse/Title02/2cfr200\\_main\\_02.tpl](https://www.ecfr.gov/cgi-bin/text-idx?tpl=/ecfrbrowse/Title02/2cfr200_main_02.tpl)

### **Important Information Regarding Indirect Costs**

Some or all of the grants awarded under (High School Equivalency Program, 84.141A) have been designated training grants. The Education Department General Administrative Regulations (EDGAR) limit reimbursement of indirect costs under training grants to non-governmental grantees. These grantees may recover indirect costs under training grants up to the grantee's

actual indirect costs as determined by the grantee's negotiated indirect cost agreement or 8 percent of Modified Total Direct Cost (MTDC), whichever rate is lower.

Note: This limitation does not apply to State agencies, local governments or federally-recognized Indian tribal governments. [34 CFR §75.562(c)(2)]

Applicants should be aware that indirect cost amounts exceeding the limitation, described in the first paragraph of this section, may not be charged to direct cost categories, used to satisfy matching or cost-sharing requirements, or charged to another Federal award. [34 CFR §75.562(c)(5)]

Although applicants are not required to submit with their application a copy of their indirect cost agreement to claim the 8 percent training rate for funding received in this program, if they are awarded a grant, they must have documentation available for audit that demonstrates the recovery of indirect costs on training grants to the grantee's actual indirect costs, as determined by its negotiated rate agreement, or 8 percent of a MTDC, whichever is lower (see EDGAR § 75.562(c)(4)).

If an applicant selected for funding under this program has not already established a current indirect cost rate with its cognizant agency as a result of current or previous funding, ED generally will authorize the grantee to use a temporary rate of 10 percent of budgeted direct salaries and wages.

Use of the temporary rate of 10 percent of budgeted direct salaries and wages is subject to the following limitations:

1. The grantee must submit an indirect cost rate proposal to its cognizant agency within 90 days after ED issues the GAN.
2. If, after the 90-day period, the grantee has not submitted an indirect cost rate proposal to the cognizant agency, the grantee may not charge its grant for indirect costs (except when ED finds exceptional circumstances) until it has negotiated an indirect cost rate agreement with its cognizant agency.
3. The grantee may only recover indirect costs incurred on or after the date it submitted its indirect cost rate proposal to its cognizant agency or at the start of the of the project period, whichever of the two occurs later.
4. The total amount of funds recovered by the grantee under the federally recognized indirect cost rate is reduced by the amount of indirect costs previously recovered under the temporary indirect cost rate.
5. The grantee must obtain prior approval from the Secretary to shift direct costs to indirect costs in order to recover indirect costs at a higher negotiated indirect cost

rate.

6. The grantee may not request additional funds to recover indirect costs that it cannot recover by shifting direct costs to indirect costs.

## Part 6: Other Attachment Form

Attach one or more documents to the Other Attachments Form in accordance with the instructions found on [Grants.gov](https://www.grants.gov). You may provide all of the required information in a single document, or in multiple documents.

Also, do not upload any password-protected files to your application.

Please note that Grants.gov cannot process an application that includes two or more files that have the same name within a grant submission.

## **Instructions for Meeting the General Education Provisions Act (GEPA) Section 427 Requirements**

All applicants for new awards **must** include information in their applications to address this new provision in order to receive funding under this program.

Section 427 **requires** each applicant for funds (other than an individual person) to include in its application a description of the steps the applicant proposes to take to ensure equitable access to, and participation in, its Federally-assisted program for students, teachers, and other program beneficiaries with special needs.

This provision allows applicants discretion in developing the required description. The statute highlights six types of barriers that can impede equitable access or participation: gender, race, national origin, color, disability, or age.

A general statement of an applicant's nondiscriminatory hiring policy is **not** sufficient to meet this requirement. Applicants must identify potential barriers and explain steps they will take to overcome these barriers.

Please review the Notice to all Applicants (included in the electronic application package in Grants.gov) for further information on meeting the provisions in the Department of Education's General Education Provisions Act (GEPA).

Applicants are **required** to address this provision by attaching a statement (not to exceed three pages) to the **ED GEPA427 form** that is included in the electronic application package in Grants.gov.

## NOTICE TO ALL APPLICANTS

The purpose of this enclosure is to inform you about the following provision in the Department of Education's General Education Provisions Act (GEPA) that applies to applicants for new grant awards under Department programs. This provision is Section 427 of GEPA, enacted as part of the Improving America's Schools Act of 1994 (Public Law (P.L.) 103-382).

### To Whom Does This Provision Apply?

Section 427 of GEPA affects applicants for new grant awards under this program. **ALL APPLICANTS FOR NEW AWARDS MUST INCLUDE INFORMATION IN THEIR APPLICATIONS TO ADDRESS THIS NEW PROVISION IN ORDER TO RECEIVE FUNDING UNDER THIS PROGRAM.**

(If this program is a State-formula grant program, a State needs to provide this description only for projects or activities that it carries out with funds reserved for State-level uses. In addition, local school districts or other eligible applicants that apply to the State for funding need to provide this description in their applications to the State for funding. The State would be responsible for ensuring that the school district or other local entity has submitted a sufficient section 427 statement as described below.)

### What Does This Provision Require?

Section 427 requires each applicant for funds (other than an individual person) to include in its application a description of the steps the applicant proposes to take to ensure equitable access to, and participation in, its Federally-assisted program for students, teachers, and other program beneficiaries with special needs. This provision allows applicants discretion in developing the required description. The statute highlights six types of barriers that can impede equitable access or participation: gender, race, national origin, color, disability, or age. Based on local circumstances, you should determine whether these or other barriers may prevent your students, teachers, etc. from such access or participation in, the Federally-funded project or activity. The description in your application of steps to be taken to overcome these barriers need not be lengthy; you may provide a clear and succinct description of how you plan to address those barriers that are applicable to your circumstances. In addition, the information may be provided in a single narrative, or, if appropriate, may be discussed in connection with related topics in the application.

Section 427 is not intended to duplicate the requirements of civil rights statutes, but rather to ensure that, in designing their projects, applicants for Federal funds address equity concerns that may affect the ability of certain potential beneficiaries to fully participate in the project and to achieve to high standards. Consistent with program requirements and its approved application, an applicant may use the Federal funds awarded to it to eliminate barriers it identifies.

### What are Examples of How an Applicant Might Satisfy the Requirement of This Provision?

The following examples may help illustrate how an applicant may comply with Section 427.

- 1) An applicant that proposes to carry out an adult literacy project serving, among others, adults with limited English proficiency, might describe in its application how it intends to distribute a brochure about the proposed project to such potential participants in their native language.
- 2) An applicant that proposes to develop instructional materials for classroom use might describe how it will make the materials available on audio tape or in braille for students who are blind.
- 3) An applicant that proposes to carry out a model science program for secondary students and is concerned that girls may be less likely than boys to enroll in the course, might indicate how it intends to conduct "outreach" efforts to girls, to encourage their enrollment.
- 4) An applicant that proposes a project to increase school safety might describe the special efforts it will take to address concern of lesbian, gay, bisexual, and transgender students, and efforts to reach out to and involve the families of LGBT students

We recognize that many applicants may already be implementing effective steps to ensure equity of access and participation in their grant programs, and we appreciate your cooperation in responding to the requirements of this provision.

### Estimated Burden Statement for GEPA Requirements

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless such collection displays a valid OMB control number. Public reporting burden for this collection of information is estimated to average 1.5 hours per response, including time for reviewing

instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. The obligation to respond to this collection is required to obtain or retain benefit (Public Law 103-382. Send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the U.S. Department of Education, 400 Maryland Ave., SW, Washington, DC 20210-4537 or email [ICDocketMgr@ed.gov](mailto:ICDocketMgr@ed.gov) and reference the OMB Control Number 1894-0005.

## **Part 8: Intergovernmental Review of Federal Programs (Executive Order 12372)**

This program falls under the rubric of Executive Order 12372 (Intergovernmental Review of Federal Programs) and the regulations in 34 CFR Part 79. One of the objectives of the Executive order is to strengthen federalism--or the distribution of responsibility between localities, States, and the Federal government--by fostering intergovernmental partnerships. This idea includes supporting processes that State or local governments have devised for coordinating and reviewing proposed Federal financial grant applications.

The process for doing this requires grant applicants to contact State Single Points of Contact for information on how this works. Multi-state applicants should follow procedures specific to each state.

Further information about the State Single Point of Contact process and a list of names by State can be found at:

<https://www.whitehouse.gov/wp-content/uploads/2017/11/SPOC-Feb.-2018.pdf>

Absent specific State review programs, applicants may submit comments directly to the Department. All recommendations and comments must be mailed or hand-delivered by the date indicated in the actual application notice to the following address: The Secretary, EO 12372--CFDA# [commenter must insert number--including suffix letter, if any], U.S. Department of Education, room 7E200. 400 Maryland Avenue, SW., Washington, DC 20202.

Proof of mailing will be determined on the same basis as applications (see 34 CFR §75.102). Recommendations or comments may be hand-delivered until 4:30 p.m. (Eastern Time) on the closing date indicated in this notice.

**Important note:** The above address is not the same address as the one to which the applicant submits its completed applications. **Do not send applications to the above address.**

### **III. Reporting and Accountability**

Successful Applicants with multi-year grants must submit an **annual performance report (APR)** demonstrating their progress in meeting approved project objectives. Grantees must also provide the most current financial and performance measure data for each year of the project.

At the end of the project period, applicants will also be required to submit a **final performance report (FPR)**.

#### **Government Performance and Results Act (GPRA) Measures**

Under the Government Performance and Results Act (GPRA), the following performance targets have been established to evaluate the overall effectiveness of the High School Equivalency Program.

- For GPRA measure 1, the target is 69 percent for FY 2021.
- For GPRA measure 2, the target is 80 percent for FY 2021.

The GPRA indicators can be found in the NIA for this program.

For specific requirements on grantee reporting, please go to the HEP Performance and Evaluation website: <https://oese.ed.gov/offices/office-of-migrant-education/high-school-equivalency-program/>.
