1) Promoting Science, Technology, Engineering, or Math (STEM) Education:

Requested Total Award Amount: \$17,688,707.00

Project Description:

The Institute for Organizational Coherence, the South Carolina Department of Education and rural and urban public schools throughout the state, located in Federal Opportunity Zones, proposes *RISE: Rigorous Instruction Supports Equity!*, a Supporting Effective Educator Development (SEED) grant to improve educator effectiveness and raise student achievement in some of the highest-need schools in South Carolina.

Project Expected Outcomes Improve academic achievement in high-need South Carolina Schools, equip educators with skills to promote 21st Century Learning, increase number of educators who attain advanced credentials. Increase impact of RISE through effective replication and scaled impact studies.
