

Fiscal Year 2018 – 2021 SRSA Grant Performance Periods and Liquidation Deadlines

Additionally, beginning with FY 2019, SRSA awards are available for obligation (binding commitment to spend) for twenty-seven (27) months. See the below table for details specific to active SRSA awards. The obligation deadline for unobligated SRSA grants awarded in FY 2018 and FY 2019 is now September 30, 2021. For more information on the performance period extensions, please view the full announcement [here](#).
