Greetings, Grantees:

On July 14, 2022, the U.S. Department of Education's Office of State and Grantee Relations will conduct a webinar on the 2022 Compliance Supplement (Supplement) for the Elementary and Secondary School Emergency Relief (ESSER) Fund, the Governor's Emergency Education Relief (GEER) Fund, and the Emergency Assistance to Nonpublic Schools (EANS) program.

The Supplement is a document that identifies existing, important compliance requirements that the Federal government expects to be considered as part of an audit required by the 1996 Amendments to the Single Audit Act.
