Brief description of proposed project, including project activities: ABC Community School Partnership will work collaboratively with three Title I schools to transform them into full-service community schools. Our comprehensive and intensive support, technical assistance, and training to the schools and full time Community School Coordinators includes a deep quantitative and qualitative needs assessment and asset map process; development of diverse partnerships, coordination of pipeline services aligned to overall school improvement goals, and evaluation of our progress toward goals.

Summary of project objectives and expected outcomes: As schools implement the community school strategy, ABC expects to see outcomes within all four pillars of the community school framework identified by the Learning Policy Institute as critical for effective and successful community schools.

Proposed location(s) of implementation (e.g., city, town, county, State(s)): Albuquerque, NM
