- Absolute Priority 1 – Title IA Schoolwide Program Eligibility
- Absolute Priority 5 – FSCS State Scaling Grants
- Competitive Preference Priority 1—Meeting Student Social, Emotional, and Academic Needs
- Competitive Preference Priority 2—Strengthening Cross-Agency Coordination and Community Engagement to Advance Systemic Change

Total number LEAs to be served by the project: 1 – the Puerto Rico Department of Education

Total number of schools to be served by the project: 6

Total estimated number of students to be served by the project: 1,500

Brief description of proposed project, including project activities: The Puerto Rico Full Service Community Schools Incubation Project seeks to provide student, family, and community services to close gaps in education, health, and workforce development in impoverished neighborhoods utilizing the strengths of each community and filling needs via implementation of FSCS in six public schools total, spread across at least two of the territory's 12 new education regions. Project Activities include: Student Case Management; Attendance initiative; Student health and nutrition assistance; Optional participation in statewide social service partnerships; Academic tutoring; Mentoring; Optional participation in statewide expanded and enriched learning time partnerships; Health and mental health screenings and services; Parent workshops; Parent support programming; Early childhood education; Teacher professional development; SEL and MTSS; and School council or parent group.

Summary of project objectives and expected outcomes: Objective 1: More children entering Full Service Community Schools (FSCS) are prepared for Kindergarten; Objective 2: Students served by Full-Service Community Schools experience gains in academic achievement; Objective 3: More students are safe, healthy, and supported by engaged parents; Objective 4: Full-Service Community Schools serve more community members.

Proposed location(s) of implementation: San Juan, Puerto Rico; Guaynabo, Puerto Rico
