Deadlines and Announcements

March 15, 2023 – CRRSA & ARP Maintenance of Effort (MOE): Deadline for SEAs to submit final FY 2022 Maintenance of Effort data to the Department. In limited cases, the Department may consider whether State-specific circumstances justify a waiver of MOE requirements for the purpose of relieving fiscal burdens incurred by States in preventing, preparing for, and responding to COVID-19. States intending to seek a waiver of FY 2022 MOE requirements should submit a detailed waiver request by March 15, 2023 (See [MOE FAQs](#)).

March 15, 2023 –Maintenance of Equity (MOEquity): Deadline to submit small LEA tolerance proposal for FY 2022. Responses that the Department has provided to other SEAs regarding their small LEA tolerance proposals are available at [ARP ESSER Maintenance of Equity](#).

CARES Liquidation Extension: The [General and Technical FAQs for CARES Liquidation Extension Requests](#) are available. States may request to extend the liquidation period for CARES ESSER and GEER funds by submitting a [Liquidation Extension Request](#) through their State mailbox (*State name*.OESE@ed.gov). Review and approval will be based on a completed request that includes associated subgrantee data. The following liquidation extension requests have been approved: DC ESSER, IN ESSER and GEER, MO GEER, MS ESSER, NC ESSER, OH ESSER, PA ESSER, RI GEER, TX ESSER, and WI ESSER.

CARES ESSER and GEER Grant Closeout: The Department will host a webinar on March 7 and March 9, 2023 outlining the grant closeout requirements for all CARES ESSER and GEER grants. Registration and grant closeout details will be shared via G5 soon.

ARP ESSER State Plan Amendment Reminder: A State that intends to implement different or additional evidence-based interventions than those currently approved in the ARP ESSER State plan in sections D.1 (evidence-based interventions to address the academic impact of lost instructional time), D.2 (evidence-based summer enrichment), or D.3 (evidence-based afterschool programs) must submit its proposed amendments to the Department for review and approval per section 2001(f) of the ARP Act. Because required descriptions in the other sections of the State plan relate to needs and strategies at the time of submission, rather than ongoing needs and strategies, States need not amend any sections of their ARP ESSER State plan other than to account for any changes to the evidence-based interventions described in section D. Please submit any questions and amendment requests to your State and Grantee Relations program officer at ESSERF@ed.gov and your State mailbox (*State name*.OESE@ed.gov).
