## **Siembra Leadership High School**

### ***Siembra Leadership High School Expansion***

Siembra Leadership High School proposes an expansion project under Assistance Listing Number 84.282E with a focus on engaging underserved students and disconnected youth in high-quality education that is project-based, community-centered, and highly supportive.

The **project objectives** are:

- **Objective #1:** Increase engagement in high-quality education for underserved students and disconnected youth; and
- **Objective #2:** Implement an academic approach that is project-based, community-led, and highly supportive to improve Siembra students' academic, college, and career outcomes.

**Proposed Project Outcomes:**

- **Outcome 1a:** Increase enrollment by 170 students over five years.
- **Outcome 2a:** 87% of students achieve academic mastery in English language arts by the end of each school year.
- **Outcome 2b:** 80% of students achieve academic mastery in math by the end of each school year.
- **Outcome 2c:** 80% of seniors will have completed at least one internship with a local employer or a capstone project to start their own business by graduation.
- **Outcome 2d:** 80% of sophomores, juniors, and seniors attempt a dual credit course each year.

**Number of participants to be served:** 450

**Competition Priorities Addressed: *Competitive Preference Priority*** – Promoting High-Quality Educator- and Community-Centered Charter Schools to Support Underserved Students.
